family collections tells the county's dramatic history of farming from the days of the hardy pioneers who grew pumpkins and pineapples on the shores of Lake Worth. In this handsome coffee table book you'll read diaries, letters, and personal interviews that describe the faith and fortitude of those who endured sun, spoilage, frost, floods, hurricanes, and other hardships in building what would soon become one of the nation's most agriculturally productive counties. Touched by the Sun Stuart B. McIver, 2016-07-28 Florida has long been a mecca for those looking for a change of scenery, pace, or fortune. One way or another, all who enter Florida are touched by the Sun. Its powerful rays leave them with a sense of well-being, better health, or maybe just a sunburn. Come meet some of the glorious sun-drenched characters. In this third volume of the Florida Chronicles, a continuing series on the state's history, author Stuart B. McIver tells his tales of Florida through the often tangled lives of people who could never be brushed aside as ordinary. These players in that great theatrical production called Florida include presidents, cowboys, gangsters, baseball players, writers, politicians, captains of industry, inventors, movie stars, and even a fire chief. See all of the books in this series. **AB Bookman's Weekly**, 1996 *Tequesta*, 1984 *The Winter Sailor* Francis Ranna Stebbins, 2004-11-28 A unique guide to Florida's frontier history along Indian River. The Winter Sailor is a historical adventure that details the yearly winter travels of Francis R. Stebbins to Florida's Indian River. Stebbins, a writer from Michigan, visited Florida in March of 1878 and became entranced by its pristine beauty. Subsequently, Stebbins and his traveling companions made annual visits to Indian River until 1888 when tragedy struck and ended Stebbins' yearly journeys. Being an observant traveler, Stebbins began a series of descriptive articles for his hometown newspaper that chronicled his journeys to the Indian River area. Stebbins's articles tell of his own personal experiences during his leisurely visits, which included such activities as hunting and fishing, studying the natural surroundings, and excavating Indian mounds. What Stebbins enjoyed most was sailing down the river, interviewing townspeople, and examining local attractions as he went. His articles also detail the lifestyle of the region: food, fashion, industry, history, environment, and changes that occurred over time. Stebbins's articles not only entertained and informed but also became a travelogue for his readers. He inspired northern travelers to go south and visit Florida, which contributed to the beginnings of large-scale tourism in the region. The Winter Sailor combines Stebbins's 49 articles along with three by his companions to provide an enjoyable historical guide. Unique among 19th-century travelogues, this fascinating look into Florida's past documents a decade of change to the Indian River wilderness and becomes Stebbins's gift to the present. **Miami, the American Crossroad** Arva Moore Parks, Gregory Wallace Bush, 1996 *The Alabama Historical Quarterly*, 1971 *Library Journal*, 1970 Includes beginning Sept. 15, 1954, and on the 15th of each month Sept.-May a special section.
