Pippin Cleans Up Phylliss Adams,Eleanore Hartson,Mark Taylor,1983-03-01 Pippin finds himself involved in some hilarious misadventures with a street cleaning machine a laundry a window washer and a car wash **Pippin Cleans Up** Phylliss Adams,Eleanore Hartson,Mark Taylor,1983-01-01 Pippin an elf likes to help people clean **Unsung Heroes of The Lord of the Rings** Lynnette Porter,2005-03-30 Most criticism of The Lord of the Rings trilogy emphasizes the most likely heroes in the tales Aragorn Frodo Gandalf and even Sam From popular to scholarly literature the women and smaller characters often go overlooked But our notions of what makes a hero have altered since September 11 and sometimes the most unlikely people can come to embody all that we look up to and admire in a person Here Lynnette Porter examines what we mean when we talk about heroes and for the first time illustrates the heroic qualities that can be found in the women and other beloved though less celebrated characters in the The Lord of the Rings books and movies She takes a critical look at the importance of literary and cinematic heroes in general emphasizing the roles of Merry Pippin Galadriel Eowyn Arwen Legolas and Gimli who can all be considered heroes despite their relatively smaller roles She shows ultimately that our attraction to and celebration of heroes does not have to be limited to the leading man but rather that women and youth often display essential characteristics of true heroes Bringing together a discussion of both the books and the movies Porter reveals for readers the heroic nature of several characters in The Lord of the Rings who have been ignored in terms of their status as heroes Nevertheless these female and youthful characters have received incredible popular acclaim and illustrate the shift in the way the Western movie going public identifies and glorifies heroes While other stars may have outshone the likes of Merry and Pippin Arwen and Galadriel Porter redirects the spotlight on these favorites of the books and movies to show us how the roles they play the actions they take and the behaviors they display are worthy of our praise and admiration This unique and refreshing perspective adds dimension to our understanding of The Lord of the Rings phenomenon

The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case Jack Justin Turner,2014-12-11 The Sheriff of Hell s Murder Case is the final novel in Dr Jack Justin Turner s highly acclaimed Cumberland Mountain Trilogy With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life Part murder mystery and part magnificent love story The Sheriff of Hell s Murder Case again demonstrates Dr Turner s powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers As one reviewer put it Jack Justin Turner s voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters Seldom does a book transport a reader so surely to another place and time
