encouraged piracy as a cheap alternative to warfare and enjoyed their own cut Pirates prospered They stole ships and cargoes at sea or in port and they carried out long lasting vendettas against other groups They ransomed the richest of their captives but tipped innumerable sailors overboard While kings were ambivalent foreign relations were imperilled and although it was briefly quelled by Henry V piracy was never defeated during this turbulent epoch Breaking new ground on a subject that remains topical today Jill Eddison explores medieval piracy as it waxed and waned setting dramatic life stories against the better known landmarks of history Pirates Paul Harrison,2007-12-15 Explores the world of pirates covering myths weapons treasure battles famous pirates pirates in popular culture and the dangers presented by modern piracy
