Pittsburgh Stories:

The Rise and Fall of Faith-Based Hospitals Georgine Scarpino Rsm Ph. D.,2013-03 This book is a meta analysis of the relationship of margin and mission of faith based hospitals in Allegheny County Pennsylvania to their beginnings and endings It reviews the various local state and federal events and factors that impacted these hospitals during their growth and decline from 1847 through 2008 Most importantly the book shares the courage hardships and perseverance of the founders of these institutions many of whom were women as they responded to one crisis after another but never gave up their commitment to serve the poor and sick of Pittsburgh and Allegheny County **Butler** Salena Zito,2025-07-08 Salena Zito She understands you people and me better than we do President Donald J Trump From the acclaimed journalist standing only a few feet away from the stage when the gunshots began is this gripping first hand account of the near assassination of Donald Trump and the inside story of Trump s heartland fueled victory That day in Butler had the wind gusted less had Trump s head turned in a slightly different direction or had the adrenaline fueled heart of the shooter beat slower America would have been plunged into chaos possibly even civil war As a local reporter with deep ties to the area Salena Zito had been invited by the president to interview him at the Butler Farm Show Grounds She was standing only four feet away from the presidential podium when the bullets started to fly A campaign staffer tackled her to the ground Throughout it all Salena never stopped reporting She spoke by phone to Trump several times in the immediate aftermath and was granted access to community members rally participants family members and local law enforcement officials I rarely look away from the crowd Trump told her in one of several of those conversations Had I not done that in that moment well we would not be talking today would we Known for her on the ground reporting on populism and rural America Salena zooms out to tell the fascinating story of the battle for America s heartland and the issues that actually motivate voters To understand how and why Trump won the 2024 election you have to understand places like Butler Big cities like Los Angeles New York and D C don t decide who wins election cycles but people in places like Butler Pennsylvania sure do President Trump gave the author extraordinary access for this book including to his top aides to his running mate JD Vance to billionaire supporter Elon Musk and even his security detail There are moments that define America The late afternoon hours of July 13 2024 was one of them This book is a narrative of that fateful day the people of the heartland and the untold story of how the president found his way back into the heart of the electorate **Daily Stories of Pennsylvania** Frederic Antes Godcharles,1924
