### **Historic Hikes Around Mount Assiniboine & in Kananaskis Country** Emerson Sanford, Janice Sanford Beck, 2010

When authors Emerson Sanford and Janice Sanford Beck began backpacking together nearly 20 years ago they often wondered whose footsteps they were retracing and how today's Rockies trails came to be there. In *Life of the Trail* they share their findings with hikers and history buffs, adventurers and armchair travellers. *Life of the Trail 5* details the routes in the area bounded on the north by Lake Minnewanka and the Bow River and on the west by Altrude Creek and the Vermilion and Kootenay rivers. Featuring such historical characters as Duncan McGillivray, David Thompson, George Simpson, Tom Wilson, Walter Wilcox and Bill Peyto, Volume 5 in this remarkable series also sheds light on the early days of the now world renowned Kananaskis Country. *The David Thompson Highway Hiking Guide - 2nd Edition* Jane Ross, Daniel Kyba, 2016-03-02. Another of RMB's best selling hiking books, *The David Thompson Highway Hiking Guide* has been completely revised, updated and redesigned for outdoors enthusiasts interested in experiencing a wide variety of easily accessible trails through stunning landscapes in west central Alberta between the rolling foothills of the Nordegg area and the towering peaks of Banff National Park. All of these exceptional hikes start right from the highway. You'll find everything from leisurely two hour walks to tougher three day backpacking journeys. Throughout regions as diverse as the old coal mining town of Nordegg, the Bighorn Range, the Cline River area, the Kootenay Plains and the Upper North Saskatchewan Valley, hikers of all abilities will experience some of the most inspiring scenery, glorious flora and fascinating history that Western Canada has to offer.

When authors Emerson Sanford and Janice Sanford Beck began backpacking together nearly 20 years ago they often wondered whose footsteps they were retracing and how today's trails through the Rockies came to be there. In Life of the Trail they share their findings with adventurers and history buffs alike. Life of the Trail 4 Historic Hikes in Eastern Jasper National Park includes trails throughout the Jasper area as well as routes outside the national park itself. The main routes are fur trade routes Duncan McGillivray's route along the Brazeau river and Paboktan Creek Jacques Cardinal's route from Jasper to the North Saskatchewan River along the South Boundary Trail and over Job Pass and Old Klyne's Trail over Maligne and Cataract Passes and along the Cline River to the Kootenay Plains. **Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document and province or territory. Titles of national, provincial, territorial or regional interest are included in every subject area when available. The contents of the book are indexed four ways by name, title, French subject and English subject. And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements and indexing of works, the availability of non-print formats, previous editions and title changes and related works. Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers.
