*Nazis, Islamists, and the Making of the Modern Middle East* Barry Rubin, Wolfgang G. Schwanitz, 2014-02-01 A groundbreaking account of the Nazi Islamist alliance that changed the course of World War II and influences the Arab world to this day During the 1930s and 1940s a unique and lasting political alliance was forged among Third Reich leaders Arab nationalists and Muslim religious authorities From this relationship sprang a series of dramatic events that despite their profound impact on the course of World War II remained secret until now In this groundbreaking book esteemed Middle East scholars Barry Rubin and Wolfgang G Schwanitz uncover for the first time the complete story of this dangerous alliance and explore its continuing impact on Arab politics in the twenty first century Rubin and Schwanitz reveal for example the full scope of Palestinian leader Amin al Husaini s support of Hitler s genocidal plans against European and Middle Eastern Jews In addition they expose the extent of Germany s long term promotion of Islamism and jihad Drawing on unprecedented research in European American and Middle East archives many recently opened and never before written about the authors offer new insight on the intertwined development of Nazism and Islamism and its impact on the modern Middle East Nazis Islamists reinsert s racial ideology into the study of the desert conflict and thereby offer s new insights into the Nazis relationships with their North African and Middle Eastern partners Mia Lee Contemporary European History Thoroughly researched and closely argued David Pryce Jones National Review The odd couple marriage between Nazis and Arab nationalists has come under increasingly revealing scrutiny over the last decade Here fresh research from previously unexamined archives explicitly ties that frightening nexus to today s Middle East Gene Santoro World War II magazine This book tells a remarkable and to me at least little known but very important story Marshall Poe New Books in History
