Rudolph Valentino The Man Behind The Myth:

Rudolph Valentino, the Man Behind the Myth Robert Oberfirst, 1978 **Handbuch wider das Kino** Günter Peter Straschek, 1975 Rodolfo Valentino Renate Berger, 2003 **The Tango in the United States** Carlos G. Groppa, 2018-01-16

In the earliest years of the 20th century North American ballroom dancers favored the waltz or the polka. But then a new dance the tango broke onto the scene when Vernon and Irene Castle performed it in a Broadway musical. Rudolph Valentino, Arthur Murray and Xavier Cugat popularized it in the 1920s and 1930s and thousands of people crowded onto dance floors around the country to hear the music and dance the tango. This work chronicles the history of the tango in the United States from its antecedents in Argentina, Paris and London to the present day. It covers the dancers, musicians and composers and the tango's influence on American music.

The Salome Ensemble Alan Robert Ginsberg, 2016-04-05

The Salome Ensemble probes the entangled lives, works and passions of a political activist, a novelist, a screenwriter and a movie actress who collaborated in 1920s New York City. Together they created the shape-shifting genre-crossing *Salome of the Tenements*, first a popular novel and then a Hollywood movie. The title character was a combination Cinderella and Salome like the women who conceived her. Rose Pastor Stokes was the role model. Anzia Yezierska wrote the novel. Sonya Levien wrote the screenplay. Jetta Goudal played her on the silver screen. Ginsberg considers the women individually and collectively exploring how they shaped and reflected their cultural landscape. These European Jewish immigrants pursued their own versions of the American dream, escaped the squalor of sweatshops, knew romance and heartache and achieved prominence in politics, fashion, journalism, literature and film.

Twilight of the Idols Mark Lynn Anderson, 2011-04-18

Twilight of the Idols is an outstanding study of Hollywood celebrity culture in the wake of the star scandals that rocked the industry in 1921 and 1922. Through case studies of key male figures of the era including Wallace Reid, Leopold and Loeb and Rudolph Valentino, Mark Lynn Anderson argues that deviance became a central trope through which both famous personalities and their adoring fans were conceived in the evolving discourses of psychoanalysis, sociology and anthropology. Anderson offers a compelling reading of the origins of the star system in the best discussion yet of the interrelationships between male deviance, queerness and modern stardom. Clearly and engagingly written and impeccably researched, *Twilight of the Idols* is poised to make a major contribution to film studies, queer studies and American studies.

Shelley Stamp, author of *Movie Struck Girls: Women and Motion Picture Culture after the Nickelodeon*

Mark Lynn Anderson has written a remarkable book. With its focus on male deviance and the human sciences in twenties American culture, *Twilight of the Idols* (Hollywood and the Human Sciences in 1920s America) represents new directions for scholarship on film stardom and film history in this period. Through careful analysis of changes in the star system and detailed exploration of the careers of exemplary individual stars such as Wallace Reid, Rudolph Valentino and Mabel Normand, this book helps us to better understand the contours of the modern personality promoted by the cinema and the widespread interest in deviant behavior in the 1920s, both of which

remain very much with us today Patrice Petro author of *Joyless Streets Women and Melodramatic Representation in Weimar Germany*

Damsels and Divas Agata Frymus, 2020-04-17 2020 Best Early Career Research Monograph Monash University Malaysia *Damsels and Divas* investigates the meanings of Europeaness in Hollywood during the 1920s by charting professional trajectories of three movie stars Pola Negri Vilma B nky and Jetta Goudal It combines the investigation of American fan magazines with the analysis of studio documents and the examination of the narratives of their films to develop a thorough understanding of the ways in which Negri B nky and Goudal were understood within the realm of their contemporary American culture This discussion places their star personae in the context of whiteness femininity and Americanization Every age has its heroines and they reveal a lot about prevailing attitudes towards women in their respective eras In the United States where the stories of rags to riches were especially potent stars could offer models of successful cultural integration
