Rudy And The Magical Twin Balloons:

Rudy and the Magical Twin Balloons Kathy Rozek, 2002-08 An innovative thought provoking children s story Rudy and the Magical Twin Balloons movingly depicts the events of September 11 2001 as seen through the eyes of a young boy aptly named Rudy Exceptional watercolor illustrations provide the perfect ethereal setting for the story The balloons symbolize the World Trade Towers and our heroes of course are the thousands of innocent angels born on that fateful day To celebrate the lives they lived and all the lives they touched this special keepsake is a loving reminder of the peaceful place our heroes now call home Each year parents and teachers continue to search for answers to questions posed by youngsters regarding the tragic events of September 11th Educators at the elementary school levels continue to grapple with the issue As each anniversary approaches this book is being utilized in classrooms and libraries nationwide to commemorate the event while presenting a subtle yet historic perspective to younger children This treasure is destined to become a children s classic for schools and libraries nationwide What began as a labor of love for the victims families has snowballed into an essential teaching tool for educators nationwide A portion of the proceeds are being donated to the memorials honoring the victims of 9 11
