## **Rumors Of The Turning Wheel:**

*Rumors of the Turning Wheel* Anne Halley, 2003 The title of this powerful collection refers to the wheel of fortune In a time long before television game shows a wood and wire crank driven mechanism would be set up and turned by hand at fairs and carnivals next to the puppet show booth the pot and pan vendors and the horse drawn carousel Country folk and children watched to see where the turning wheel would stop and if their folded paper chance might reveal the lucky number that won a prize The wheel turns more noisily portentously and can take on disguised or secret forms when Fortuna concerns herself with the fate of rulers and nations Rumors of all kinds will be heard as the wheel's turnings stir the air Rumors of war of course strange births rape the collapse of powerful houses and incestuous loves always the rumor of impending death sometimes a rumor of survivals and often one of hope for the children These rumors were gathered on the sidelines and in the market squares during the last the catastrophic twentieth century and they form the starting point for this memorable collection
