Runaway America Benjamin Franklin Slavery And The American Revolution:

Runaway America David Waldstreicher, 2025-09-23 Scientist abolitionist revolutionary that is the Benjamin Franklin we know and celebrate To this description the talented young historian David Waldstreicher shows we must add runaway slave master and empire builder But Runaway America does much more than revise our image of a beloved founding father Finding slavery at the center of Franklin s life Waldstreicher proves it was likewise central to the Revolution America s founding and the very notion of freedom we associate with both Franklin was the sole Founding Father who was once owned by someone else and was among the few to derive his fortune from slavery As an indentured servant Franklin fled his master before his term was complete as a struggling printer he built a financial empire selling newspapers that not only advertised the goods of a slave economy not to mention slaves but also ran the notices that led to the recapture of runaway servants Perhaps Waldstreicher s greatest achievement is in showing that this was not an ironic outcome but a calculated one America s freedom no less than Franklin s demanded that others forgo liberty Through the life of Franklin Runaway America provides an original explanation to the paradox of American slavery and freedom Diese Wahrheiten Jill Lepore, 2019-10-15

WELTMACHT AM SCHEIDEWEG JILL LEPORES BRILLANTE GESCHICHTE AMERIKAS Die Amerikaner stammen von Eroberern und Eroberten von Menschen die als Sklaven gehalten wurden und von Menschen die Sklaven hielten von der Union und von der Konfederation von Protestanten und von den Juden von Muslimen und von Katholiken von Einwanderern und von Menschen die dafür gekämpft haben die Einwanderung zu beenden In der amerikanischen Geschichte ist manchmal wie in fast allen Nationalgeschichten der Schurke des einen der Held des anderen Aber dieses Argument bezieht sich auf die Fragen der Ideologie Die Vereinigten Staaten sind auf Basis eines Grundbestands von Ideen und Vorstellungen gegründet worden aber die Amerikaner sind inzwischen so gespalten dass sie sich nicht mehr darin einig sind wenn sie es denn jemals waren welche Ideen und Vorstellungen das sind und waren Aus der Einleitung In einer Prosa von funkelnder Schönheit erzählt die preisgekrönte Historikerin Jill Lepore die Geschichte der USA von ihren Anfängen bis zur Gegenwart Sie schildert sie im Spiegel jener Wahrheiten Thomas Jefferson auf deren Fundament die Nation gegründet wurde der Ideen von der Gleichheit aller Menschen ihren naturgegebenen Rechten und der Volkssouveränität Meisterhaft verknüpft sie dabei das widersprüchliche Ringen um den richtigen Weg Amerikas mit den Menschen die seine Geschichte gestaltet oder durchlitten haben Sklaverei und Rassendiskriminierung kommen ebenso zur Sprache wie der Kampf für die Gleichberechtigung der Frauen oder die wachsende Bedeutung der Medien Jill Lepores große Gesamtdarstellung ist aufregend modern und direkt eine Geschichte der politischen Kultur die neue Wege beschreitet und das historische Geschehen geradezu hautnah lebendig werden lässt Das fulminante Portrait einer Nation Von den Anfängen bis zur heutigen Weltmacht in der Krise Jeder der sich für die Zukunft Amerikas interessiert muss dieses Buch lesen Lepore macht alles lebendig das Gute das Schlechte das Schöne und das Hässliche Lynn Hunt The Hanging of Thomas Jeremiah J. William Harris, 2009-11-17 The tragic untold story of how a nation

struggling for its freedom denied it to one of its own a free Black man A searing portrayal of the central paradox of the American Revolution the centrality of slavery to the struggle for political liberty Laurel Thatcher Ulrich Harvard University An insightful reflection and commentary on the vexed relationships among liberty slavery and the British Empire in the era of the Declaration of Independence Richard D Brown The Journal of Law and History Review In 1775 Thomas Jeremiah was one of fewer than five hundred Free Negroes in South Carolina and with an estimated worth of 1 000 about 200 000 in today's dollars possibly the richest person of African descent in British North America A slaveowner himself Jeremiah was falsely accused by whites who resented his success as a Charleston harbor pilot of sowing insurrection among slaves at the behest of the British Chief among the accusers was Henry Laurens Charleston's leading patriot a slaveowner and former slave trader who would later become the president of the Continental Congress On the other side was Lord William Campbell royal governor of the colony who passionately believed that the accusation was unjust and tried to save Jeremiah's life but failed Though a free man Jeremiah was tried in a slave court and sentenced to death In August 1775 he was hanged and his body burned J William Harris tells Jeremiah's story in full for the first time illuminating the contradiction between a nation that would be born in a struggle for freedom and yet deny it often violently to others

Quakers and Their Allies in the Abolitionist Cause, 1754-1808 Maurice Jackson, Susan Kozel, 2016-03-17 This volume explores the significant connections between the Quaker community and the abolitionist cause in America The case studies that make up the collection mainly focus on the greater Philadelphia area a hotbed of the abolitionist movement and the location of the first American abolition society founded in 1775 Despite the importance of Quakers to the abolitionist movement their significance has been largely overlooked in the existing historiography These studies will be of interest to scholars of slavery and abolition religious history Atlantic studies and American social and political history

Benjamin Franklin Unmasked Jerry Weinberger, 2005 Taking the Autobiography as the key to Franklin's thought Weinberger argues that previous assessments have not yet probed to the bottom of Ben's famous irony and elusiveness While others take the self portrait as an elder statesman's relaxed and playful retrospection Weinberger unveils it as the window to Franklin's deepest reflections on God virtue justice equality natural rights love the good life the modern technological project and the place and limits of reason in politics and human experience Along the way Weinberger explores Franklin's ribald humor usually ignored or toned down by historians and critics and shows it to be charming and philosophic

The Science of Abolition Eric Herschthal, 2021-01-01 A revealing look at how antislavery scientists and Black and white abolitionists used scientific ideas to discredit slaveholders While recent historical literature has shown the complicity of the early science of man in the defense of slavery Herschthal unearths an equally long intellectual tradition of antislavery science This innovative book is timely when science itself is under assault Manisha Sinha author of The Slave's Cause A History of Abolition In the context of slavery science is usually associated with slaveholders scientific justifications of racism But abolitionists were equally adept at using scientific ideas to discredit slaveholders

Looking beyond the science of race The Science of Abolition shows how Black and white scientists and abolitionists drew upon a host of scientific disciplines from chemistry botany and geology to medicine and technology to portray slaveholders as the enemies of progress From the 1770s through the 1860s scientists and abolitionists in Britain and the United States argued that slavery stood in the way of scientific progress blinded slaveholders to scientific evidence and prevented enslavers from adopting labor saving technologies that might eradicate enslaved labor While historians increasingly highlight slavery s centrality to the modern world fueling the rise of capitalism science and technology few have asked where the myth of slavery s backwardness comes from in the first place This book contends that by routinely portraying slaveholders as the enemies of science abolitionists and scientists helped generate that myth **The Encyclopedia of the American**

Revolutionary War Gregory Fremont-Barnes,Richard Alan Ryerson,2006 Contains entries that provide information on topics related to the American Revolution covering politics people warfare and culture arranged alphabetically from E to L with maps and illustrations *Contesting Democracy* Byron E. Shafer,Anthony J. Badger,2001 Leading scholars provide a

comprehensive history of two centuries of U S politics Contributions from a who s who of political historians **African Americans in the Colonial Era** Donald R. Wright,2010 A history of African Americans and their distinct culture in colonial North America from their seventeenth century introduction to the continent via the slave trade to their role in the Revolutionary War The Register of the Kentucky Historical Society Kentucky Historical Society,2007 Term Paper

Resource Guide to Colonial American History Roger M. Carpenter,2009-06-22 With this guide major help for term papers relating to Colonial American history has arrived in a volume sure to enrich and stimulate students in challenging and enjoyable ways Chock full of stimulating and creative term paper suggestions and vetted research resources focusing on the Colonial Era this volume is indispensable for students librarians and instructors Students from high school age to undergraduate will use it to get a jumpstart on assignments in Colonial American history with the hundreds of term paper suggestions and research information offered here in an easy to use format Users can quickly choose from the 100 important events ranging from the first attempt at colonization at the Lost Colony of Roanoke Virginia in 1585 to the ratification of the Constitution in 1791 With this book the research experience is transformed and elevated Term Paper Resource Guide to Colonial American Historyis a superb source to motivate and educate students who have a wide range of interests and talents Coverage includes key wars and conflicts establishment of colonies and colleges legislation and treaties religious events exploration publications and more *America, History and Life* ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada The First Republic & A. Lincoln Donald K. Pickens,2013 The First Republic and A Lincoln is an exercise in intellectual history The topics discussed in the book are among the most argumentative in the study of American histroy Combined with a simple minded view of history The First Republic and A Lincoln will not present new facts instead will focus on new scholarship *Encyclopedia of the Age of Political Revolutions*

and New Ideologies, 1760-1815 Gregory Fremont-Barnes, 2007 Covers the people events and ideas that shaped the transformative political ideologies arising from the American and French Revolutions **Encyclopedia of the New American Nation: Fairs to poverty** Paul Finkelman, 2006 Presents a three volume encyclopedia of the history of the new American nation and contains over six hundred alphabetically arranged articles covering major events and issues from 1754 to 1829 *History of the Negro Race in America from 1619 to 1880* George Washington Williams, 1882 **History of the Negro Race in America** George Washington Williams, 1882 *This Isn't the America I Thought I'd Find* Rosemary Traoré, Robert J. Lukens, 2006 American society has long placed high expectations on our schools to advance this nation's prospects or to help resolve many of its ills Throughout America's history however immigrant children have experienced difficulties adjusting to their new lives in our schools This experience has been the fate of many African students who come to America with hopes of securing an excellent education a better future and a chance at the American dream instead they frequently find disappointment Much of this frustration stems from the marginalization of African and African American history and cultural studies in the curriculums of many American schools The absence of any realistic exploration of Africa or Africans in American society has led to cases of harassment teasing and racially charged environments This Isn't the America I Thought I'd Find explores the African student experience and offers advice for teachers seeking to facilitate a deeper appreciation of the emotional and historical connections between people of African descent and all Americans

Encyclopedia of African American History 1619-1895 Paul Finkelman, 2006 Publisher Description *The William and Mary Quarterly*, 2005
