### **The Evolution of Judaism from Ezra to the Present**

Martin Sicker, 2019-02-20 The story of the evolution of Judaism from its origins in the remote past into the complex and various forms by which it is known in the present day does not lend itself to a straightforward historical narrative The following study attempts to understand how the Second Hebrew Commonwealth came into being and the critical role that Mosaic religion played in the process which resulted in what may be termed Pharisaic Judaism which effectively came to an end with the destruction of the Second Temple by the Romans in 70 CE By the sheer willpower and intellectual ability of the sages who survived the national disaster Pharisaic Judaism was morphed into Rabbinic Judaism which ultimately evolved over a period of two millennia into the variety of forms that presently adorn the religious landscape of the Jewish people Part 1 of this study is concerned with the story of Pharisaic Judaism which emerged in a period in which the majority of the Jewish people were political factors in the history of the Jewish nation something that would only emerge once again in the twentieth century with the creation of the modern State of Israel Ancient Judaea existed in the midst of the region properly known as Cisjordan the region between the Mediterranean Sea and the Jordan River which constituted the land bridge between Africa and Asia through which the more accessible one of the two primary trade and military routes between Egypt and Mesopotamia passed This made it a critical chunk of territory the control of which was a constant objective of contending powers throughout the history of the Middle East and gave Judaea a strategic importance virtually unrelated to its natural resources or wealth Accordingly in presenting the story of Pharisaic Judaism considerable space will be given to the geopolitics and domestic politics in which the Jewish religious authorities necessarily were deeply involved as is the case today in modern Israel

**Gewalt und Theatralität in Dramen des 17. und des späten 20. Jahrhunderts** Melanie Hong,2008 Drastische Darstellungen von Gewalt auf der Bühne fallen sowohl in deutschen Dramen des 17 als auch des späten 20 Jahrhunderts auf Zeitgenossen haben beide Jahrhunderte als besonders von Gewalt geprägt erfahren Zugleich wird in beiden Zeiten das Theater umfassend als kulturelles Modell genutzt Im Barock sind das religiöse theatrum mundi und die politische Bühne Leitmetaphern während im späten 20 Jahrhundert Begriffe wie Rolle Inszenierung oder Performativität zu zentralen soziokulturellen Kategorien avancieren In Interpretationen repräsentativer Texte von Bidermann Gryphius Weise und Lohenstein sowie Fichte Müller Dorst und Tabori geht die Autorin

dem Zusammenhang zwischen Gewaltdarstellung und Theatralität nach. Die Dramen nutzen einerseits Elemente des Theatermodells um zu veranschaulichen, warum Gewalt geschieht und in welcher Weise sie zwischen welchen Akteuren ausgetragen wird. Dabei zitieren die Texte des späten 20. Jahrhunderts explizit oder implizit die Theatermetaphorik des 17. Jahrhunderts. Andererseits übernimmt Gewalt in einer als theatral entworfenen Welt Funktionen der Ostentation der Authentisierung sowie der Repräsentation und der Herstellung von Präsenz. Die Eigenschaft des Theaters, Handeln vor Zuschauern zu sein, und die Eigenschaft von Gewalt, Körper zu affizieren, treten in ein produktives und spannungsreiches Verhältnis.

**Torah from Our Sages** Jacob Neusner, 2022-07-27 A New Approach to Pirkei Avot How did the Jewish national religion survive the destruction of the Jerusalem Temple and the failure of armed rebellion against Rome A cultural reset was needed a way of life tied to the past had to be flexible enough to adapt to virtually any time and place The sages of the scholar class spoke of a word of mouth chain of tradition stretching back to Moses at Mount Sinai with the potential to stretch forward indefinitely In their hands the Torah went from being only a book recorded on a scroll to including teachings transmitted orally from one generation to the next in proverbs in case law in propositions and in debates Now the foremost interpreter historian and representative of this massive rabbinic tradition Dr Jacob Neusner offers a new translation a fresh commentary and a succinct explanation of the most studied Jewish volume outside the Bible and prayer book Dr Neusner explains how and why Pirkei Avot The Sayings of the Ancestors stands at the head of the Mishnah the torah compiled by the sages for the future There is so much more than just commentary in Dr Neusner s masterwork Torah from Our Sages Pirkei Avot but I will not give it all away in the description You will want to discover it for yourself And you will want to know why this little book of wisdom has the mysterious power to speak to you directly even as it spoke to each and every one of your ancestors From the editors of Sh ma magazine Fresh and insightful commentary that places the work in its historical setting while making it relevant to our times wide ranging and helpful without becoming pedantic or obscure
