Research Workshop on Mathematical Modeling in Combustion and related topics held in Lyon France April 27 30 1987 This  
conference was planned to fit in with the two month visit of Professor G S S Ludford to the Ecole Centrale de Lyon He kindly  
agreed to chair the Scientific and Organizing Committee and actively helped to initiate the meeting His death in December  
1986 is an enormous loss to the scientific community in general and in particular to the people involved in the present  
enterprise The subject of mathematical modeling in combustion is too large for a single conference and the selection of topics  
reflects both areas of recent research activity and areas of interest to Professor G S S Ludford to whose memory the  
Advanced Workshop and this present volume are dedicated The meeting was divided into seven specialized sessions
