## **Rudolf Writings From An Unbound Europe:**

**Rudolf** Marian Pankowski, John Maslen, 1996 This novel set in the 1970s tells the story of the author a middle aged Polish professor who lives abroad but who earlier survived the Nazi concentration camps and Rudolf an old man In the 1930s Rudolf the son of Germans living in Poland rebelled against the expectations of both his parents and Polish society by leading an openly gay life in Paris Rudolf and the author meet by chance in Brussels and the novel unfolds as Rudolf attempts to convince the author and himself that his choices were good ones that his life and the memories he has of it were worth whatever he gave up for them Told in a highly poetic fashion through the author s stream of consciousness as well as through a triangular correspondence among Rudolf the author and the author s mother Rudolf s story emerges as a tale of subversion and liberation Echoing Gombrowicz in its exploration of transgressive desire it will be of great interest not only to those interested in Polish literature but to readers of gay and lesbian literature as well     **Tsing** David Albahari, 1997 Much more than an ordinary postmodern text Tsing is a quiet and moving paeon to the narrator s deceased father Beginning with a series of imagined vignettes involving a father and a daughter Albahari weaves both real and imagined narrative fragments together with considerable skill     **Rudolf** Marian Pankowski, 1996 This novel set in the 1970s tells the story of the author a middle aged Polish professor who lives abroad but who earlier survived the Nazi concentration camps and Rudolf an old man In the 1930s Rudolf the son of Germans living in Poland rebelled against the expectations of both his parents and Polish society by leading an openly gay life in Paris Rudolf and the author meet by chance in Brussels and the novel unfolds as Rudolf attempts to convince the author and himself that his choices were good ones that his life and the memories he has of it were worth whatever he gave up for them     **Border State** Emil Tode, 2000-05 At home in neither his native land nor his adopted contry the unnamed narrator writes from a border state that transcends national boundaries his letter this novel is a precise description of that state of a consciousness forged by poverty and oppression Driven by the need to confess the narrator recounts the circumstances surrounding his murder of his wealth lover His confession serves as a painfully sharp rendering of what it means to straddle the lines between East and West rich and poor and light and dark From publisher description     *Historical Dictionary of Kosovo* Robert Elsie, 2010-11-15 As the seventh and probably last state to arise from the ruins of the former Yugoslavia Kosovo is the newest country in Europe For centuries Kosovo also known as Kosova was part of the Ottoman Empire and for most of the 20th century it was a province of what was once Yugoslavia After the military conflict in 1998 1999 and a period of administration by the United Nations Kosovo declared its independence from Serbia on February 17 2008 Focusing not only on Kosovo s turbulent recent years the second edition of the *Historical Dictionary of Kosovo* also relates the country s rich culture and long history This is done through a chronology an introductory essay an extensive bibliography and over 400 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets This book is an excellent access point for

students researchers and anyone wanting to know more about Kosovo      **Forthcoming Books** Rose Arny,2000

**Mocking Desire** Drago Jančar,1998 A novel on New Orleans through the eyes of Gregor Gradnik a visiting Slovenian professor of creative writing at a university He leads a split life respectable academic during the day bar crawler at night

*Historical Dictionary of Albania* Robert Elsie,2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it s a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the *Historical Dictionary of Albania* relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets      **Peltse** Volodymyr Dibrova,1996

Two novellas in which a Ukrainian writer tells how the Soviet system was sustained by individuals who never truly chose to support it but simply lacked the courage to oppose it Peltse portrays the formation of an average apparatchik Pentameron is on five scientists dreaming of escape but incapable of action      *Library Journal* ,1996      1993 Patt Leonard,Rebecca Routh,1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada      *The American Bibliography of Slavic and East European Studies* Patt Leonard,Rebecca Routh,1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada      *My Family's Role in the World Revolution and Other Prose* Bora Ćosić,1997 A comic novella on 1960s Yugoslavia in which a family attempts to create a version of the socialist society in its kitchen The novella is accompanied by a collection of essays one of which deals with World War I as seen by Parisians      Polonica zagraniczne

,1996      Skinswaps Andrej Blatnik,1998 Stories by a Slovenian writer In His Mother s Voice a boy sees a movie on a killer who mimics a woman s call to lure her son to his death The boy goes home it is dark his mother calls and the boy reaches for an axe In Isaac a death camp deportee attempts an escape from a train      **The Loss** Владимир Маканин,1998 A collection of stories by a Russian writer one of which is on a relationship between a prisoner of war and his captor while another looks at the way one man s fortune can become another man s misfortune      **Literatura polska w przekładach 1981-2004**

Danuta Bilikiewicz-Blanc,Tomasz Szubiakiewicz,Beata Capik,Anna Karłowicz,2005      **Literatura polska w przekładach 1990-2000** Danuta Bilikiewicz-Blanc,Tomasz Szubiakiewicz,Beata Capik,Anna Karłowicz,2000      **Angel Riding a Beast** ,1998 The poems in *Angel Riding a Beast* are the stunning expression of the Romanian poet Liliana Ursu s years in America

The sadness and paradoxes of exile and the clarity of a cross cultural awareness become for Ursu the psychological and descriptive framework for poems infused with the emotion and images of erotic longing and spiritual loneliness The combination of elegy and wit in the poems of Ovid the poet of exile with whom Ursu claims kinship is evident in her poetry as well Always conscious of both her new American freedom and the remorselessness of time and death Ursu explores the American landscape through the sad aura of those coming from Eastern Europe as if from some kind of inferno She displays remarkable insight into America s often formless and shallow society of consumers and yet her newly Americanized vision also allows her to reimagine and reevaluate her life and her country The alienating repression of recent Romanian history has led Romanian poets with Ursu as a source of inspiration for their almost violent intensity of language to resist and penetrate all boundaries and limits whether political ideological or aesthetic The sympathy of her cultural observations and the physicality of her poetic images and the desires that inform them give Ursu s poems an affecting and universal perspective in which disparate experience and places coalesce in a singular human landscape      **American Book Publishing Record**
