Rudolph Steiner The Man His Vision:

Rudolf Steiner Colin Wilson, 1985 **Rudolf Steiner**, 1987 *Rudolf Steiner* Colin Wilson, 2019-02-21 Of all the important thinkers of the twentieth century Rudolf Steiner 1861 1925 is perhaps the most difficult to come to grips with For the unprepared reader his work presents a series of formidable obstacles from the dauntingly abstract style to the often bizarre pronouncements on the nature of man and his cosmic destiny And yet Steiner was perhaps the most influential and charismatic occult philosopher of his generation and the movement he launched Anthroposophy with its educational agricultural and artistic applications still has many thousands of followers worldwide No one interested in esoteric thought can ignore Steiner but until now there has been no genuinely accessible introduction to his ideas This lucid and sympathetic account describes Steiner's development from shy scholar to the international figurehead of Anthroposophy his break with Madam Blavatsky's Theosophy his struggles to find a voice and the essence of his insights into the supersensible world

Rudolf Steiner's Vision of Love Bernard Nesfield-Cookson, 2011-03-14 Gathering together references to the logic of the heart from throughout Steiner's work the author encapsulates the great teacher's revelations on the meaning of love and indicates the supreme importance of the greatest of all deeds of love Cover *Emergent Holistic Consciousness* Stuart P. Rudolf Steiner, the Man and His Vision Colin Wilson, 1985 **The Philosophy of Freedom (the Philosophy of Spiritual Activity)** Rudolf Steiner, 1999 This special reprint featuring the acclaimed translation by Michael Wilson is being made available again in response to public demand Are we free whether we know if or not Or is our sense of freedom merely an illusion Rudolf Steiner tackles this age old problem in a new way He shows that by taking account of our own activity of thinking we can know the reasons for our actions And if these reasons are taken from our world of ideals then our actions are

free because we alone determine them But this freedom cannot be settled for us by philosophical argument It is not simply granted to us If we want to become free we have to strive through our own inner activity to overcome our unconscious urges and habits of thought In order to do this we must reach a point of view that recognizes no limits to knowledge sees through all illusions and opens the door to an experience of the reality of the spiritual world then we can achieve the highest level of evolution

Anthroposophical Leading Thoughts Rudolf Steiner, 1998 Leading thoughts and letters for members of the Anthroposophical Society CW 26 The leading thoughts here given are meant to open up subjects for study and discussion Points of contact with them will be found in countless places in the anthroposophic books and lecture courses so that the subjects thus opened up can be enlarged upon and the discussions in the groups centered around them Rudolf Steiner This key volume contains Rudolf Steiner's leading thoughts or guiding principles and related letters to members of the Anthroposophical Society Using brief aphoristic statements Steiner succinctly presents his spiritual science as a modern path of knowledge accompanied by letters that expand and contextualize the guiding thought These 185 thoughts constitute invaluable clear summaries of Steiner's fundamental ideas indeed they contain the whole of Anthroposophy They are intended not as doctrine but to stimulate and focus one's study and discussion of spiritual science Anthroposophy is a path of knowledge to guide the Spiritual in the human being to the Spiritual in the universe Anthroposophy communicates knowledge that is gained in a spiritual way There are those who believe that with the limits of knowledge derived from sense perception the limits of all insight are given Yet if they would carefully observe how they become conscious of these limits they would find in the very consciousness of the limits the faculties to transcend them Rudolf Steiner This volume is a translation of *Anthroposophische Leitsätze Der Erkenntnisweg der Anthroposophie Das Michael Mysterium* GA 26
