

A bald eagle is shown in mid-flight, its wings spread wide, flying from the upper left towards the center. Below it, on a rocky cliff, is a nest made of sticks and twigs. The nest contains two young eaglets and one egg. The background features a dramatic sky with purple and blue clouds, and a bright light source, possibly the sun or moon, creating a lens flare effect. The overall scene is set against a backdrop of a mountain range and a forest of evergreen trees at the bottom.
