Rufinus A Commentary Of The Apostles Creed:

Rufinus - a commentary on the Apostles' Creed Rufinus, *A Commentary on the Apostles' Creed* Rufinus (of Aquileia), 1954 His most important work aimed at persons under instruction for the sacraments the Commentary offers a guide to elucidating and justifying the Creed It offers a glimpse of popular Christian propaganda at the beginning of the fifth century Rufinus Rufinus (of Aquileia), Johannes Quasten, Joseph C. Plumpe, 1955 **Commentary of Rufinus on the Apostles' Creed** Rufinus (of Aquileia), 1908 **Retrieving the Tradition and Renewing Evangelicalism** Daniel H. Williams, 1999 A learned and uniquely constructive book that gently urges suspicious Christians to reclaim the patristic roots of their faith This is the first book of its kind meant to help Protestant Christians recognize the early church fathers as an essential part of their faith Writing primarily to the evangelical independent and free church communities who remain largely suspicious of church history and the relationship between Scripture and tradition D H Williams clearly explains why every branch of today's church owes its heritage to the doctrinal foundation laid by postapostolic Christianity Based on solid historical scholarship this volume shows that embracing the catholic roots of the faith will not lead to the loss of Protestant distinctiveness but is essential for preserving the Christian vision in our rapidly changing world Rufinus and his times Charles Whitaker, **Rufinus : Commentary on the Apostles creed** J. N. D. Kelly (trans), 1978 **Jahresbericht über die fortschritte der Klassischen altertumwissenschaft**, 1913 *The Story of Creeds and Confessions* Donald Fairbairn, Ryan M. Reeves, 2019-10-01 Creeds and confessions throughout Christian history provide a unique vantage point from which to study the Christian faith To this end Donald Fairbairn and Ryan Reeves construct a story that captures both the central importance of creeds and confessions over the centuries and their unrealized potential to introduce readers to the overall sweep of church history The book features texts of classic creeds and confessions as well as informational sidebars

Rufinus. A Commentary on the Apostles' Creed. [Commentarius Or Expositio in Symbolum Apostolorum.] Translated... by J. N. D. Kelly,... With the Text of His Commentary on the Apostles' Creed ... and a Translation of the Same* Tyrannius Rufinus, Charles Whitaker, 1887

Venantius Fortunatus and Gallic Christianity Benjamin Wheaton, 2022-09-19 A wandering Orpheus among the barbarians a lively flatterer of the powerful and an appreciator of good food and pleasant company the sixth century poet Venantius Fortunatus is known to us today for being all these things Yet in the Middle Ages people knew and loved Fortunatus the priest a man of the Church and a teacher of Christian dogma This book for the first time looks at this other side of Fortunatus character through the lens of what he wrote when he was bishop of Poitiers at the end of his life two sermons and a hymn to the Virgin Mary Here you will encounter something unexpected Bishop Fortunatus the stern yet skillful preacher of Augustinian grace and Chalcedonian orthodoxy Hell's Destruction Catherine Ella Laufer, 2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle

to explain the meaning of these words This book explores various interpretations of the doctrine of Christ's descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ's descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ's descent means that he is truly hell's destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith

I Believe Harvey J. Sindima, 2024-11-26 *I Believe* is a book on the foundational beliefs in Christianity from the beginning and across the centuries These central declarations of the Christian faith expressed in creeds confessions and faith statements inform the spirituality of believers the order and manner of worship undergird rituals and faith practices and shape the understanding nature and form of church government and organization or ecclesiology and polity *I Believe* shows the power and ability of creeds and confessions to cause splits schisms and secessions and yet also be the glue that unites once different or divided churches *I Believe* demonstrates that creeds and confessions inspire encourage influence and impact social political and historical transformation and change of individuals churches societies and nations This book is an analysis of creeds and faith statements of many and different churches from every continent Catholics Orthodox and Protestants This critical investigation and examination of creeds confessions and faith statements is presented with deep historical and theological background towards understanding the development of the thought and teachings of the Christian faith from the beginning *I Believe* fills the need for a single volume covering the development and history of the teachings of Christianity throughout the centuries
