**Jacqueline Neumann**

## **Rule Of Law In America:**

**The Rule of Law in America** Ronald A. Cass, 2001 Drawing upon extensive experience in law government service teaching and research Ronald Cass offers a contribution to the ongoing public discussion on law and society After opening his discussion with chapters on the rule of law in American society Cass turns to the hard case of its application to the president of the United States Through this prism Cass examines the behavior of judges who may not always act according to a perfect model This book provides a corrective to criticism of the American legal system raised all too frequently by some members of the academy Rather than concentrating on relatively minor inconsistencies in the law and slight departures from the ideal of perfectly constrained decision making Cass argues that the energies of his fellow scholars could be better spent on more serious defects in the legal system With a special section on the 2000 presidential election including the Florida recount and Supreme Court decision The rule of law in America offers a look at a subject of interest to legal scholars and general readers alike

**The Rule of Law in Comparative Perspective** Mortimer Sellers, Tadeusz Tomaszewski, 2010-07-23 This volume compares the different conceptions of the rule of law that have developed in different legal cultures It describes the social purposes and practical applications of the rule of law and how it might be improved in the varied circumstances

**Die Förderung der Rule of Law in der Entwicklungszusammenarbeit** Jacqueline Neumann, 2013

**The French Law of Marriage and the Conflict of Laws that Arises Therefrom** Edmond Kelly, 1885
