The Witchstone Henry H. Neff, 2024-06-18 An unforgettable high stakes laugh out loud funny novel The Witchstone blends the merciless humor of The Good Place with the madcap fantasy of Terry Pratchett Meet Laszlo eight hundred year old demon and Hell's least productive Curse Keeper From his office beneath Midtown he oversees the Drakeford Curse which involves a pathetic family upstate and a mysterious black monolith It's a sexy enough assignment colonial origins mutating victims et cetera but Laszlo has no interest in maximizing the curse's potential he'd rather sunbathe in Ibiza quaff martinis and hustle the hustlers on Manhattan's subway Unfortunately his division has new management and Laszlo's ratings are so abysmal that he's given six days to shape up or he'll be melted down and returned to the Primordial Ooze Meet Maggie Drakeford nineteen year old Curse Bearer All she's ever known is the dreary corner of the Catskills where the Drakeford Curse has devoured her father's humanity and is rapidly laying claim to her own The future looks hopeless until Laszlo appears at the Drakeford farmhouse one October night and informs them that they have six days and six days only to break the spell before it becomes permanent Can Maggie trust the glib and handsome Laszlo Of course not But she also can't pass up an opportunity to save her family even if it means having a demon as a guide Thus begins a breakneck international adventure that takes our unlikely duo from a hot dog stand in Central Park to the mountains of Liechtenstein As the clock ticks down tough as nails Maggie and conniving Laszlo will uncover a secret so profound that what began as a farcical quest to break a curse will eventually threaten the very Lords of Hell

Betting on Hope, Cowboy Debra Clopton, 2024-04-08 An interview gone wrong A meddling small town And a champion cowboy that sets women's hearts on fire whether he wants to or not and then she walks in and turns his world upside down When Maggie fills in at an interview with champion horse trainer Tru Monahan the on camera chemistry between them is undeniable Maggie's bosses know this is the opportunity she's been looking for to launch her career and their bank accounts so they issue a demand In order to save her column Maggie has to take up Tru's bet that he can teach her to ride a quick stepping cutting horse like any cowgirl despite the fact that she has never been on a horse And in the meantime she can get the scoop on the man under the cowboy hat Tru has been on the competition circuit for longer than he'd like but he knows it's the only way he can afford to keep the Four of Hearts Ranch that means so much to his ailing grandfather So when his sponsors see the opportunity for Tru's fans to get to know the star on a more intimate level he knows he must oblige To his dismay Maggie not only invades his small town of Wishing Springs but she also invades his heart

and that is something he cannot let any woman do for her own good In Wishing Springs Maggie finds what she has always been looking for a community and a home But when her past catches up to her it threatens everything even the tender hope that this town holds all of her heart's desires
