accepted as short papers In addition to the regular industry and short presentations invited lectures were given by Frank Leymann and Gustavo Alonso This combination of research papers industrial papers keynotes and workshops all of very high quality has shown that BPM has become a mature conference and the main venue for researchers and practitioners in this area We would like to thank the members of the Program Committee and the reviewers for their efforts in selecting the papers They helped us compile an excellent scientific program For the difficult task of selecting the 25 best papers 14% acceptance rate and 17 short papers each paper was reviewed by at least three reviewers except some out of scope papers
