From My Mess to His Message Christopher Sparks, 2018-02-19 We all have messes in our lives Some are big ones and some are small ones Some we make with our choices some are made for us by others or by sickness This book is the result of the mess I created with my sin I found my life turned upside down I was locked up in prison without my freedom I disgraced my family I drove my friends away and I had lost my job I hit bottom and I finally realized that I needed a savior I cried out to God to take back control over my life Once I did that I needed a place to start and God lead me straight to His word The devotions you will find on the pages of this book are the very words God gave me as He gave them to me They are His messages of hope and salvation to a hurting child that He loves He carried me through that season of my life No matter what it is you are going through in your life as you read the pages of this book you will feel the overwhelming love and care Jesus has for you Day after day the words He shares with you will heal you and clean up those messes you made by doing it without Him God will get so much glory as we walk together watching Him turn your messes into His messages He did it for me I Know He will do it for you too
