Russia And Her Neighbours:

Russia and Her Neighbors, 1994 Russia and Her Neighbours Lovett Fielding Edwards, 1968 A survey of Russia its geography history culture and varied population with descriptions of daily life in the past and present Also includes brief descriptions of neighboring European countries and how they relate to the Soviet Union **The Free Press Serials.**
[Political Pamphlets.] Nos. 1, 3-5, 7-16 FREE PRESS SERIALS., 1854 EU-Russian Border Security S. V. Golunov, 2013
The land border between Russia and the European Union is one of the longest land borders in the world with very considerable trade flowing across the border in both directions This book examines the nature of the EU Russia border and the issues connected with its management It describes the territories and the societies on each side of the border discusses the challenges which confront border management including migration and criminal activities and explores how people on both sides perceive each other and perceive threats and security issues It concludes by assessing achievements to date in managing the border and by assessing continuing unresolved challenges **Soviet Russia and Her Neighbours** Robert Page Arnot, Jerome Davis, 1927 **Conversations with M. Thiers, M. Guizot, and Other Distinguished Persons, During the Second Empire** Nassau William Senior, 1878 *Is the Power of Russia to be Reduced Or Increased by the Present War?* Valerian Skorobohaty KRASINSKI (Count.), Valerian Krasinski (Count), 1855 *The Free press serials* Diplomatic review, 1854 **Russia and its Near Neighbours** M. Freire, R. Kanet, 2012-05-15 Russia has recently re emerged as the dominant political economic and military actor in former Soviet nations Kanet and Freire bring together a stellar cast of contributors to consider Russia s recent return as a major regional and international actor and its likely future policy toward its neighbours **Russia in Europe and Asia** Joseph King Goodrich, 1912 *Russia; its plans of conquest revealed. A series of papers ... By a Rusinian from the Banks of the Boh* Russia, 1854 **Bulgaria and Her Neighbors** Historicus, 1917 **A Collection of Pamphlets Upon Poland** Valerian Krasinski (Count), 1854 **Soviet Russia and Her Neighbours, by R. Page Arnot** Robert Page Arnot, **A History of France: A.D. 1624-1793** George William Kitchin, 1894 **The Russian Empire: Historical and Descriptive** John Geddie, 1882 **How the EU and Russia Narrate the World** Mario Baumann, 2025-07-25 In times of increasing challenges to the Western idea this book illuminates how Russian and EU foreign policy discourses interact While official Russian and EU articulations on issues of sovereignty human rights and the shared neighbourhood diverge greatly they are not articulated in isolation but are entangled and condition each other To understand this entanglement this book approaches the relationship between Russia and the EU as an intersubjective one a social context where diverging interpretations of the world struggle for hegemony Its theoretical framework marries poststructuralist thought with insights from critical approaches to Hegelian recognition dialectics Based on an extensive and systematic empirical discourse analysis of Russian and EU foreign policy texts this study draws a detailed picture of the intensifying discursive dynamics accompanying the deteriorating relationship between Brussels and

Moscow It shows how neither the EU's nor Russia's foreign policy articulation has changed substantially The interaction pattern continues to be an asymmetrical one with Russia's articulations much more conditioned by the EU's discourse than vice versa The book thus argues that the EU is more independent in sovereignly articulating an interpretation of the world whereas Russia continues to face constraints in the formulation of an autonomous political project With its novel and innovative conceptual framework this book furthers the theoretical scholarship on poststructuralism in international relations It addresses all scholars interested in poststructuralist enquiries and will be of great value to students and scholars of Russian foreign policy and the EU
