Russia Beyond Communism A Chronicle Of National Rebirth:

Russia Beyond Communism Vladislav Krasnov, W. George Krasnow, 2019-07-11 Vladislav Krasnov's book comes at the right moment to give American readers help in understanding the momentous changes taking place in the Russian heartland of the Soviet Union. What do they portend? When Western eyes were fixed by the media on the Gorbachev phenomenon and the perestroika slogan, Dr Krasnov was drawing our attention instead to the rapid coming of the future beyond Gorbachev. His timely analysis looked past the vain attempt of this last of the Soviet Marxian princes at salvaging Communism and on to the new world being born today in the ancestral lands of Russia.

Geschichte der Sowjetunion 1917-1991 Manfred Hildermeier, 2017-10-19 Aus Anlass des 100 Jahrestags der Oktoberrevolution hat Manfred Hildermeier seine klassische Geschichte der Sowjetunion grundlegend aktualisiert und auf den neuesten Forschungsstand gebracht. Das Standardwerk wurde zudem ergänzt um ein Kapitel über die Ära Putin und führt nun bis in die unmittelbare Gegenwart. Die Geschichte der Sowjetunion erstreckt sich wie ein gewaltiger Monolith durch fast das ganze 20. Jahrhundert. Der erste sozialistische Staat hat nicht nur während des Großen Vaterländischen Krieges gegen Hitlers Armeen und in der Epoche des Kalten Krieges den Lauf der Weltgeschichte entscheidend beeinflusst. Er ist auch Ausgangspunkt und Resultat des revolutionären Versuchs gewesen, einer gesellschaftlichen Utopie den Weg in die Wirklichkeit zu bahnen. Manfred Hildermeier bietet auf der Grundlage einer kaum mehr berschaubaren Materialfülle eine zugleich informierende und interpretierende allgemeinverständliche Gesamtdarstellung. Sein leitender Gesichtspunkt ist dabei die Frage nach den gemeinsamen sozialistischen Prinzipien der politischen, sozialen, wirtschaftlichen und kulturellen Entwicklung.

Russian Politics and Society Catherine J. Danks, 2001 Covering Russia's attempted move towards democracy, this text includes an evaluation of the collapse of the USSR, Gorbachev's reconstruction and the creation of the Russian state. It examines the collapse of Soviet power through the Yeltsin years, assesses Yeltsin's legacy and Putin's first few months in office and provides coverage of the 1999 State Duma Elections and the March 2000 election of President Putin.

Soviet Politics Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics: an introduction. Thoroughly revised and updated, it builds on the previous editions' comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991. The book is divided into five parts which focus on key aspects of Soviet politics. They are historical perspectives beginning with the Tsarist regime on the eve of Revolution; the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors; and Gorbachev's attempts to revive the system's institutions of Government such as the Communist Party, security apparatus, the military, the justice system, local government and participation. Theoretical approaches to Soviet politics including class and gender politics, the role of ideology and the shift from dissent to pluralism, key policy areas, the command economy and reform, nationality politics and foreign and defence policy, an evaluation of Soviet rule and reasons for its collapse. Providing key texts and bibliographies, this book offers the

complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader **A History of Russia, the Soviet Union, and Beyond** David MacKenzie, Michael W. Curran, 1999 In this revision of their best selling text MacKenzie and Curran present a clear and objective account of the history of Russians and other eastern Slavs from its beginnings in ancient Rus to the demise of the Soviet Union and most recently the Putin presidency Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history The authors approach weaves the external geographic determinism of the Eurasian school and the organic inner oriented approach of Russian historians *Jahrbuch für Antisemitismusforschung*, 1998 **The Collapse of the Soviet Union, 1985-1991** David R. Marples, 2004 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This is an accessible guide to the key events surrounding the disintegration of the USSR

Osteuropa, 1993 *Nationalism in Late and Post-Communist Europe* Egbert Jahn, 2008 The breakdown of the Communist party rule was accompanied by an unexpected renaissance of nationalism and secessionism Of the nine Communist states only five nation states have survived Whereas the German Democratic Republic became unified with the Federal Republic of Germany the three multinational states dissolved into 16 hybrid ethno national states and two states of federated nations The latter remain imperiled in their territorial integrity In all countries state and ethnic nationalism combine in peculiar ways which leaves room for sub national stateness and various other forms of ethnic and national heterogeneity In this volume experts describe the unfolding of nationalism in each of the post Communist states during the period of upheaval from 1985 to 1995 First the relationship of the titular ethnic group with its own ethnic nationalism is discussed as well as the nationalism that refers to the whole state including the minorities This relationship influences the way the states treat the minorities which often aim for sub stateness or at least for representation through a political party organization **One Nation Becomes Many** Stephen Webb Young, 1992 **Jahresbibliographie** Bibliothek für Zeitgeschichte (Germany), 1993 **Sowjetischer und postkommunistischer Antisemitismus** Matthias Messmer, 1997 Allowed to flourish under the conditions of Soviet political culture and will diminish with the development of civil societies

Russia and the USSR in the Twentieth Century David MacKenzie, Michael W. Curran, 2002 In this revision of their best selling text MacKenzie and Curran present a succinct updated history from the later imperial tsarist regime to the current Russia Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history through the Putin presidency and offers Russian as well as post Soviet views of Russian history

Nationalism in Late and Post-Communist Europe: The Failed Nationalism of the Multinational and Partial National States Egbert Jahn, 2008 The age of nationalism has often been declared a bygone era But it is by far not at its end In the years 1990 1993 more nation states than ever before came into being within a short period of time 15 hybrid ethno national states and

three fragile states of federated nations Since then of the latter the Federal Republic of Yugoslavia fell apart and the other two are imperiled by ethno national movements State and ethnic nationalism have combined in each country in curious forms allowing for a gradual national consciousness which aims at multinational federalism or national autonomy as an alternative to national secession In this volume authors from the East and the West discuss the results of many years of research on nationalism as well as the new approaches to the understanding of a nation In addition the failure of the multinational states the Soviet Union Yugoslavia the partial national state German Democratic Republic and presumably also Bosnia and Herzegovina are analyzed After the breakdown of the multinational states and the polyethnic empires some decades ago the question is raised Will an integrated European Union succeed in finding an adequate answer to nationalism and the nationalities problem

The Collapse of Communism in the Soviet Union William E. Watson, 1998-05-26 A one stop source of information analysis biographical profiles and key primary documents on the collapse of communism in the Soviet Union Studies the rise and fall of a superpower and its ruling party Following a chronology of events five essays provide a narrative overview and discuss the evolution of Perestroika the Brezhnev Doctrine and the Afghan War nationalism and the end of the Soviet empire and Russia after the collapse of Communism Also contains biographical profiles of 15 leaders the text of 22 documents including writings by key figures a glossary and an annotated bibliography

Russland nach Gorbatschow Leonid J. Ivanov, 1996

Soviet Communism from Reform to Collapse Robert Vincent Daniels, 1995 This anthology of documents and essays examines the transformation and ultimate demise of communism in the former Soviet Union during the Gorbachev era The selections address cultural and social ferment political events economic and technological change military diplomacy ideology and resurgence of nationalism and ethnic conflicts

The World Book Encyclopedia , 1994 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students

The Gorbachev Bibliography, 1985-1991 Joseph L. Wiczynski, 1996

The European Studies Journal , 1996
