Emmy Winners Top:

The Top 100 American Situation Comedies Mitchell E. Shapiro, Tom Jicha, 2015-10-27 A number of books and articles have been written ranking the best situation comedies of all time. These have all had something in common: subjective criteria based on the authors' opinions. This book attempts an objective ranking of the best 100 American sitcoms based on a mathematical formula taking into account four factors: ratings, longevity, peer acceptance, and spawning of other programs/spin-offs. The authors considered a field of 377 series which met at least one of four criteria: aired for at least three seasons, rated among top 30 series in at least one season, received at least one major Emmy nomination, or spawned at least one other series. A critical essay is provided for each series along with air dates and cast listings. Emmy Award Winning Nighttime Television Shows, 1948-2004 Wesley Hyatt, 2015-09-11 Since the early days of television, well before most households had a set, the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts. Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners. Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949, each of more than 100 winning shows gets star treatment with an entry that includes the year of award, air times, hosts, guests, casts, and a full discussion of the show's history and run. Many of the entries include original interviews with cast or crew members. With such rich information, each show's entry constitutes a chapter in the history of television through the story of the show and the people who made it happen. The best of variety, drama, game shows, comedies, adventures, and many more categories are featured. An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run, longest delay from debut to win, and most Emmys won. The Emmys Thomas O'Neil, 1998 The ultimate unofficial guide to the battle of TV's best shows and greatest stars, revised and updated to include the latest Emmy gossip. First in a new series of books from Variety magazine. The Emmys is the first unofficial guide to America's most beloved TV shows and the awards they did or didn't win. Features year-by-year accounts of the Emmy's most dramatic victories and biggest surprises. Complete listings of more than 6,000 winners in prime time, daytime, sports, news, movies, and documentaries. Who's won the most awards, including Emmy records held by The Mary Tyler Moore Show, Cheers, LA Law, All in the Family, The Dick Van Dyke Show, Hill Street Blues, The Young and the Restless, Sesame Street, Oprah, and ABC's Wide World of Sports. Who's never won, and why? Susan Lucci, Angela Lansbury, and others keep striking out just like lifelong losers Jackie Gleason and Ed Sullivan. How winning Emmys saved Cheers, Cagney, Lacey, Mission Impossible, Santa Barbara, and other top shows. **The Media Reader on Representations of Race, Gender, Disability, Body Size, Age, and Sexuality** Caroline Heldman, Rebecca Cooper, 2025-04-01 This reader is the first comprehensive look at representations of race, gender, disability, body size, age, and sexuality in US entertainment media.
