absolutely love this book and I think it's essential for ambitious and working women. It spells out solutions to life admin rather than just lamenting the problem. Game changing. Mia and Dinah show you how to take small steps with big impact. They lay out the importance of sharing the load when it comes to admin as well as domestic duties. It breaks down the intersection of parenting, household duties and life admin. So many of us feel frustrated and overwhelmed at the moment. It is a must read for women. With this book one gets expert teaching tips and scripts for informal instruction plus model activities and assignments for the classroom. Statistics and summaries of relevant research will help one combat myths like Searching Is Easy or Everything Important Is Free.
