*Chokepoints* Edward Fishman,2025-02-25 AN INSTANT NEW YORK TIMES BESTSELLER Deftly written Chokepoints is a compelling and dramatic narrative about the new shape of geopolitics Daniel Yergin The Wall Street Journal Remarkable One of the most important books on economic warfare ever written Paul Kennedy author of The Rise and Fall of the Great Powers The epic story of how America turned the world economy into a weapon upending decades of globalization to take on a new authoritarian axis Russia China and Iran It used to be that ravaging another country s economy required blockading its ports and laying siege to its cities Now all it takes is a statement posted online by the U S government In Chokepoints Edward Fishman a former top State Department sanctions official takes us deep into the back rooms of power to reveal the untold history of the last two decades of U S foreign policy in which America renounced the gospel of globalization and waged a new kind of economic war As Vladimir Putin Xi Jinping and Ayatollah Khamenei wreaked havoc on the world stage mavericks within the U S government built a fearsome new arsenal of economic weapons exploiting America s dominance in global finance and technology Successive U S presidents have relied on these unconventional weapons to address the most pressing national security threats for good and for ill Chokepoints provides a thrilling account of one of the most critical geopolitical developments of our time demystifying the complex strategies the U S government

uses to harness the power of Wall Street Silicon Valley and Big Oil against America's enemies At the center of the narrative is an eclectic group of policy innovators the diplomats lawyers and financial whizzes who've masterminded America's escalating economic wars against Russia China and Iran Economic warfare has become the primary way the United States confronts international crises and counters rivals Sometimes it has achieved spectacular success other times bitter failure The result we live with today is a new world order an economic arms race among great powers and a fracturing global economy

*Chokepoints* is the definitive account of how America pioneered this new hard hitting style of economic war and how it's changing the world *Beijing Review*, 2009-09 *Basketball For Dummies* Richard Phelps, 2000-09-28 Basketball is the most popular participatory sport in the United States As simple as the game often seems throwing a ball through a hoop there are many aspects of the game that go unnoticed But with *Basketball For Dummies* Second Edition you'll get the inside scoop on hoops Whether you're a player a fan or a coach *Basketball For Dummies* Second Edition will get you better acquainted to the game so you can play it better coach it smarter or appreciate it more as a spectator Former Notre Dame head coach Digger Phelps begins with the fundamentals and quickly moves up court from there From playing a pick up game to watching March Madness on TV to the excitement of the NBA Playoffs Phelps has come up with a game plan that shows you how to have fun with the game while you become familiar with it By the final buzzer you'll have pulled down pointers on how to play the game how to look good on the court how to coach it how to watch it how to strategize and even how to talk trash on the playground Within these pages you'll also discover how to Suit up for the court Get into basketball shape Play effective offense and defense Use signature moves from NBA greats Shoot quality free throws Join fantasy leagues and get great stuff online From the basics to the latest coaching drills and techniques this friendly reference offers you expert advice on the plays strategies and moves on and off the court from high school to college hoops to the WNBA and beyond
