Workforce shortage in a digital era. Can 100% remote work attract more qualified candidates? Huong Hoang Thien,2023-05-25 Master s Thesis from the year 2023 in the subject Leadership and Human Resources Recruiting grade 1 0 language English abstract What will happen if there aren t enough talents to fill the market in the future due to the demographical change This study focuses on the potential of offering 100% remote work to counteract the workforce shortage in Germany An empirical study has been conducted as an online survey to gain an overview of Germany s 100% remote job market In a fast changing world digital transformation has become an evitable process for companies to adapt to new technologies and market trends The digital transformation in Germany has been significantly impacted by the COVID 19 pandemic positively and negatively On the one hand the pandemic forced German companies to embrace new technology more quickly and adapt to remote work However on the other hand it pointed out Germany s weaknesses in digital infrastructures and cybersecurity Additionally many German companies face a shortage of workers due to digital transformation Another reason that causes workforce shortage is demographical change Companies cannot operate their business correctly increase revenue or drive innovations to survive in a competitive market without suitable candidates Furthermore the digital revolution shaped the current digital generations as potential workers exhibit different digital behaviors and preferences Therefore companies must know them and their work preferences to fill the workforce shortage gap Remote working as a sub trend of the mega trend New Work has become the new standard for workers especially since the pandemic However there aren t any specific regulations regarding remote work in Germany yet In general remote work provides workers e g more freedom and a better work life balance Nevertheless remote work also has the downside such as workers experiencing isolation and loneliness due to the lack of social contact with co workers less productivity outside of the office etc For companies offering remote work gives them complete access to the talent pools including freelancers as external workers reducing costs due to fewer offices being more attractive to job seekers But on the

other side remote leadership has become a big challenge for leaders Furthermore companies have to deal more with cyber security When everything s going remotely companies have become an easier target of cyber attacks Corporate Influencer Marketing. Introductory Research and its Applicability as a Recruitment Tool Linda Sibold,2024-01-30 Seminar paper from the year 2022 in the subject Leadership and Human Resources Employer Branding grade 1 0 University of Cooperative Education Ravensburg course International Human Resource Management language English abstract This paper investigates the effectiveness of corporate influencer marketing as a recruitment tool within the realm of employer branding Faced with challenges such as talent shortages and the impact of COVID 19 organizations are seeking innovative approaches to attract and recruit talent The research focuses on problem statements objectives and methodological approaches delving into the challenges and opportunities associated with corporate influencer marketing Key performance indicators KPIs are identified as crucial metrics for measuring success in this approach The international context is explored emphasizing the need for tailored employer branding strategies to accommodate cultural differences In conclusion the paper suggests that when implemented strategically corporate influencer marketing serves as a viable and sustainable recruitment tool offering opportunities for authentic engagement and differentiation in the competitive job market *How to Get a Remote Job in 2025: 30 Days Action Plan* QuickTechie.com, Remote work has fundamentally reshaped the professional landscape establishing itself not as a fleeting trend but as the new standard for employment globally As companies in 2025 increasingly prioritize talent over location traditional job search methods have become largely ineffective for aspiring remote workers How to Get a Remote Job in 2025 30 Days Action Plan serves as the definitive guide for navigating this evolving job market offering a clear and actionable path to securing high paying location independent roles irrespective of your geographical base or professional background This book is meticulously structured as an intensive 30 day action plan Each chapter provides tangible steps field tested tools and expert strategies designed to transform job seekers from feeling overwhelmed and uncertain to being fully prepared and successfully hired for remote positions It caters to a diverse audience including recent graduates embarking on their careers seasoned professionals seeking a transition from conventional office environments and individuals undertaking significant career changes equipping them all with a competitive advantage Within its pages you will gain detailed insights into Identifying and targeting remote job opportunities that align perfectly with your unique skill set Navigating the most effective global job platforms and recognizing remote first companies actively recruiting in 2025 Crafting compelling resumes and LinkedIn profiles optimized to pass both human recruiter scrutiny and sophisticated AI screening systems Mastering interview techniques specifically adapted for virtual settings including Zoom calls asynchronous task submissions and pre recorded video pitches Developing a strong personal brand expanding your professional network on a global scale and leveraging connections to obtain valuable referrals Understanding the complexities of negotiating international compensation packages and navigating cross border employment regulations
