Zentralblatt ,1891 The Town in Bloom Dodie Smith,2012-03-15 A determined young Lancashire girl arrives in London
intent on a stage career this tale from the author of I Capture the Castle is told with the candour and authenticity that
derives from Dodie Smith s own experience of the theatre world Mouse never did fully suit her nickname Tiny she may have
been but timid never After less than twenty four hours in London she had bluffed her way into an audition at a famous
theatre infuriated its forceful young stage director and amused its kind if quite amoral actor manager She had finally landed
not a part but a toehold as a junior secretary During her involvement in the engrossing affairs of the Crossway Theatre she
met her friends Molly a baby faced six footer and elegant ambitious Lilian who was fated to clash disastrously with Mouse
Later there was also Zelle rich generous enigmatic and responsible for an outing to Suffolk village pageant which proved a
turning point for them all Life was always surprising the fearless Mouse when she unexpectedly got to a chance to act she
made an unforgettable impression though not the one she had intended However nothing prepared her for the assault of first
love highly unsuitable but welcomed by her in a way which was to have far reaching consequences Only when she looks back
after a reunion luncheon does she realise the full effects of that shared summer on her friends and herself A startlingly frank
yet nostalgic read this is a charming novel about coming of age and the healing effects of time VON ZELLEN V. BARAGA
