Team Roster 2025:

The History of the WNBA James Bren, The History of the WNBA takes readers on an inspiring journey through the league's beginnings, growth and lasting impact on basketball. From the first tip off in 1997 to modern day stars dominating the court, this book celebrates the players, coaches and moments that shaped the game. Packed with fascinating facts, key milestones and stories of determination, it's perfect for fans, historians and anyone who loves women's basketball. Inside you'll discover: How the WNBA was founded and its first iconic season; Legendary players who changed the game forever; Key rule changes and how they shaped the sport; The league's cultural impact and global reach; Memorable championship moments and rivalries. Whether you're a lifelong fan or new to the game, this book is your guide to understanding and appreciating the rich history of the WNBA.

Is Your Best Player Good Enough To Win A Title? Aidan McLennan, 2024-03-19 This collection of articles is all about the stars of the NBA and the most important questions about them: Are they good enough to win a championship as the best player? And if not, can they fit next to the best player? And how do you compare stars from previous generations to the ones of this generation? Lifelong basketball fan, player, referee, coach and professional trainer Aidan McLennan is here to answer those questions in an insightful and at times hilarious manner. Past, present and future collide as he attempts to lay down ground rules on scouting talent and on how to go about talk show topics. Read now to learn how to evaluate true superstar talent and whether your favourite player measures up or not. Chapters include: Basketball: An Individual Sport; Inside of a Team Sport; Is Your Best Player Good Enough to Win a Title? And If Not, Can They Fit Next to Someone Better? Scarcity Increases Perceived Value; The Stars of Yesterday vs The Stars of Today; Why nostalgia makes people think the old NBA was better and how nostalgia impacts the way we remember the past; Why the best of all time is a relative discussion and how to compare generations; Why every player today is better than every player 20 years ago and why that's a misleading title but a true fact; Today's Stars: Good Enough or Not? A List; And more. Praise for *Is Your Best Player A*: A great guide for fans, players, coaches and GMs alike, plus just a good read. Goodreads Review.
