## **Nba Preseason Latest Best Price:**

**National Basketball Association Franchises** Frank P. Jozsa Jr.,2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large mid-sized or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective **USA Today Index** ,1996

**Sports Capitalism** Frank P. Jozsa,2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women's sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials

**Technology for Education and Learning** Honghua Tan,2012-02-15 This volume contains 108 selected papers presented at the 2012 international conference on Technology for Education and Learning ICTEL 2012 Macau China March 1 2 2012 The conference brought together researchers working in various different areas of Technology for Education and Learning with a main emphasis on technology for business and economy in order to foster international collaborations and exchange of new ideas This proceedings book has its focus on Technology for Economy Finance and Education representing some of the major subareas presented at the conference

**Governance in Sport** Bonnie Tiell,2025-06-17 At its core sport governance encompasses two key elements power and decision making To truly grasp a sport organization's purpose and structure it's essential to understand who wields power and which decisions are made by those who possess it Regrettably the abuse of power coupled with ineffective governance and lackluster leadership has fostered widespread corruption within sport organizations a situation that calls for a renewed

commitment to practicing principles of good governance and restoring integrity and ethical conduct In response the updated and enhanced *Governance in Sport Analysis and Application* Second Edition aims to equip students with the skills to navigate both ordinary and extraordinary situations encountered in the oversight and authority of sport organizations at all levels of sport *Governance in Sport* examines sport governance from three broad analytical and applied perspectives A legal and managerial overview of practices processes and policies in sport organizations encompassing ethical behavior effective leadership decision making and policy development A framework of the structures and functions of regulatory agencies that govern state national regional and international sports An applied overview of governance and authority in selected sectors of the industry including professional sports amateur sports sports media sports betting esports and more Through examinations of contemporary hot button issues and compelling new case studies covering the Ukraine invasion Brittney Griner transgender athletes in sports LIV Golf versus the PGA conference realignment name image and likeness NIL issues the Kanjuruhan Stadium catastrophe and the workplace misconduct in the Washington Commanders organization students will see how governance differs in sport organizations at various levels in the United States and around the world Additional new features include the following Headlines begin each chapter calling out incidents of corruption within the sport industry Rules and Regulations Corners provide quick overviews of policies and laws affecting weighty issues Combating Corruption sections offer best practices for preventing and minimizing behavior deemed illegal unethical or counterintuitive *Governance in Action* case sidebars explore real world examples of conflicts and conundrums related to the chapter topic and include discussion questions suggested responses to the questions can be found in the instructor guide Recorded lectures by author Bonnie Tiell are available for each chapter of the book Instructors can use these videos to enhance their lectures With *Governance in Sport* students will develop an understanding of where power resides how decisions are made and the impact of those factors on the goals and structures of sport organizations
