NBA Opening Night Last 90 Days:

Sports, Media, and Society Kevin Hull, 2024-03-26 Whether espoused by sports leagues teams or individual athletes social issues are part of the sporting world fabric The sports media often plays the gatekeeper deciding how messages are presented and to what extent they are covered if at all Sports Media and Society investigates the impact of societal issues in sports and how the media reports those stories Why does the sports media operate in the manner that it does and what is the impact of its decisions on the audience With Sports Media and Society there is now a resource that combines mainstay class discussion points current case studies and theoretical and historical foundations in one comprehensive text The book's 34 chapters are each short and concise a format preferred by instructors covering a wide range of topics and easily digestible for students Part I covers sports media history and the media's role as gatekeeper Chapters explore the history and evolution of various media newspapers magazines radio television and social media and the business of and competition between sports media entities Case studies examine NBC's Olympics coverage and the nimbleness of Sports Illustrated in the digital space Part II showcases television's impact on how fans follow sports Discussions include ABC's Wide World of Sports which exposed viewers to events around the globe ESPN's foray into 24/7 sports coverage and Fox Sports' shocking NFL deal which marked a new era in media rights negotiations and sports broadcasting technologies The intersection of sports and social issues is the focus of part III Numerous issues are addressed punctuated by case studies involving key players and events related to each topic Cases concerning Colin Kaepernick USWNT and coverage of women's sports generally LGBTQ issues and obstacles faced by women working in sports media are highlights while examinations of social identity theory and framing provide context on how people identify with specific groups and how the media influences opinions Athletes and sport entities are constantly in the news not always in a positive light Part IV addresses crisis management and communication featuring case studies about Tiger Woods Lance Armstrong LeBron James The Decision Kobe Bryant his death and the misreporting of facts surrounding it and the Houston Astros sign stealing scandal The text concludes with part V which explores emerging trends in sports media and society Through social media virtually anyone can become a thought leader wresting control from traditional outlets and teams and athletes can dialogue directly with fans effectively sidelining sports journalists Chapters on the formerly taboo subjects of athlete mental health and sports wagering as well as the exploding popularity of esports round out the text Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs Sports Media and Society prepares tomorrow's sports journalists and communicators to venture beyond the how-tos of developing content to understanding the whys behind it [Game Changer](#) Peter Moore, 2025-07-21 From the streets of postwar Liverpool to the boardrooms of some of the world's biggest brands Peter Moore has been on the front lines of the sneaker wars the console wars and the battle for global club soccer supremacy at the helm of one of the world's biggest clubs This story of the epic journey of a publican's son who began his professional life

as a physical education teacher in North Wales before risking it all to become an immigrant to the United States seeking better life opportunities is a quintessential lesson in what's possible when a motivated person can leverage personal assets and accompany them with an indefatigable can-do attitude Moore traces a career that includes senior positions at Patrick Sports Shoes Reebok Sega Xbox EA and Liverpool FC collecting along the way the hard lessons gleaned from valiant challenger brands as well as personal insights acquired learning the landscape of each new industry he encountered Over the span of a tumultuous era he evolved from humble shoe salesman selling cleats out of the trunk of a Toyota Camry to the Chief Executive Officer of Liverpool Football Club at a time when LFC were champions of everything and everywhere With vivid reflections and candid confessions on an imperfect personal life Moore takes the reader through the twists and turns and inevitable good fortune of successful spells in the high stakes worlds of athletic footwear and apparel as well as the challenge of a massive career change to the video game industry at 44 years of age Over the next two decades he would be widely acknowledged as a legendary pioneer and figurehead in an industry that has become a 200 billion entertainment behemoth Then in a third act befitting his life in full he finally returned to the city of birth to take on an entirely new challenge becoming the CEO of Liverpool FC the football club that he first saw play and immediately fell in love with in 1959 Along the way there are insights on how he evolved both personally and professionally retaining the best aspects of what his TED Talk described as The Power of Scouseness and put aside nagging doubts of imposter syndrome to emerge with a legacy of front foot leadership and success in some of the world's most competitive industries
