The background of the entire image is a photograph of two military tanks, likely M4 Sherman tanks, on a dusty or sandy terrain. The tank in the foreground is positioned diagonally, facing towards the right. It has a dark, weathered appearance with visible tracks and a turret. Two Confederate battle flags are painted on its side, one on the turret and one on the hull. A soldier is visible in the turret's hatch. In the background, another similar tank is visible, also featuring a Confederate battle flag on its side. The overall tone of the image is somber and historical.

Drive to the East Harry Turtledove, 2005-08-09 Turtledove never tires of exploring the paths not taken bringing to his storytelling a prodigious knowledge of his subject and a profound understanding of human sensibilities and motivations Library Journal It's 1942 For twenty five years the USA and the CSA have been entrenched in an era of simmering hatred locked in a tangle of blood soaked battle lines modern weaponry desperate strategies and the kind of violence that only the damned could conjure up for themselves and their enemies In Richmond Confederate president and dictator Jake Featherston is shocked by what his own aircraft have done in Philadelphia killing U S president Al Smith in a barrage of bombs Featherston presses ahead with a secret plan carried out on the dusty plains of Texas where a so called detention camp hides a far more evil purpose As the untested U S vice president takes over for Smith the United States face a furious thrust by the Confederate army pressing inexorably into Pennsylvania But with the industrial heartland under siege Canada in revolt and U S naval ships fighting against the Japanese in the Sandwich Islands the most dangerous place in the world may be overlooked First time readers can jump in and enjoy Turtledove's richly rearranged cultural and political landscape The Kansas City Star Engrossing thoroughly satisfying Publishers Weekly

**Videssos Cycle: Volume Two** Harry Turtledove, 2013-04-16 The classic fantasy series from one of alternative history's stalwarts The New Yorker continues in the adventure of a lifetime Harry Turtledove's brilliant reimaginings of major world events have thrilled fans for decades but he first captured readers attention with the Videssos Cycle a unique blend of fantasy and speculative history In this two book volume a Roman legion thrown into another world fights its way through sorcery intrigue and epic conflict THE LEGION OF VIDESSIONS Since the legion was mysteriously transported to this magical realm Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war torn city of Videssos However Fortune is a fickle goddess Returning in triumph after defeating a well entrenched army of rebel mercenaries Marcus is betrayed by a friend seized as a traitor and dragged before the Emperor Only one person may be able to save him the Emperor's niece But consorting with her could lead to exile or worse SWORDS OF THE LEGION As prisoner of the Emperor Marcus Scaurus is in a desperate situation He stands condemned for treason unless he can reclaim a

rebel province from a fanatic usurper without the aid of his Romans Now with just one centurion by his side Marcus sets out to once again do the impossible Soon the fates conspire against the men driving them toward the torture chambers of an evil deathless wizard prince But an audacious last hope rallies behind them the soldiers of the legion are on the march Coup d'Etat Harry Turtledove,2012-07-31 In 1941 a treaty between England and Germany unravels and so does a different World War II In Harry Turtledove's mesmerizing alternate history of World War II the choices of men and fate have changed history Now it is the winter of 1941 As the Germans with England and France on their side slam deep into Russia Stalin's terrible machine fights for its life But the agreements of world leaders do not touch the hearts of soldiers The war between Germany and Russia is rocked by men with the courage to aim their guns in a new direction England is the first to be shaken Following the suspicious death of Winston Churchill with his staunch anti Nazi views a small cabal begins to imagine the unthinkable in a nation long famous for respecting the rule of law With civil liberties hanging by a thread a conspiracy forms against the powers that be What will this daring plan mean for the European war as a whole Meanwhile in America a woman who has met Hitler face to face urges her countrymen to wake up to his evil For the time being the United States is fighting only Japan and the war is not going as well as Washington would like Can Roosevelt keep his grip on the country's imagination Coup d'Etat captures how war makes for the strangest of bedfellows A freethinking Frenchman fights side by side with racist Nazis A Czech finds himself on the dusty front lines of the Spanish Civil War gunning for Germany's Nationalist allies A German bomber pilot courts a half Polish half Jewish beauty in Bialystock And the Jews in Germany though trapped under Hitler's fist are as yet protected by his fear of looking bad before the world and by an outspoken Catholic bishop With his spectacular command of character coincidence and military and political strategies Harry Turtledove continues a passionate unmatched saga of a World War II composed of different enemies different allies and hurtling toward a horrific moment For a diabolical new weapon is about to be unleashed not by the United States but by Japan in a tactic that will shock the world **BONUS** This edition includes an excerpt from Harry Turtledove's *The War That Came Early Two Fronts* Praise for Coup d'Etat Turtledove's masterful presentation of an alternate WWII reaches its fourth volume with its quality undiminished A tribute to his commanding skills Booklist starred review For lovers of alternative history and particularly the very popular Turtledove with his appealing weaponry battle tactics and setting details this story will satisfy It sets out to entertain and that it does Historical Novels Review The book's grand scope and Turtledove's impressive historical knowledge are admirable Kirkus Reviews **Last Orders (The War That Came Early, Book Six)** Harry Turtledove,2014-07-15 History is changed by one small act In an extraordinary saga of nations locked in war master storyteller Harry Turtledove examines a very different World War II one which erupts eleven months earlier and over Czechoslovakia rather than Poland Now comes the final installment in this landmark series Hitler's Plan A was to win in a hurry striking hard and deep into France There was no Plan B Now the war grinds on Countries have been forced into strange alliances The Nazis fortify thin lines with

Hungarian and Romanian troops England finding its footing after the suspicious death of Winston Churchill and a coup d tat fights back in Europe and on the seas of the North Atlantic Jews fight on both sides of the war in secret in German uniform openly in Spain France and Russia Into the standoff come new killing tools from tanks to bazookas In the Pacific Japan prepares bombs filled with macabre biological concoctions to be dropped on Hawaii For the U S the only enemy is Japan as there has been no casus belli for America in Europe Then Hitler becomes desperate and declares war on the United States But is it too late His own people are rising up in revolt The German military may have to put down the violence even perhaps bomb its own cities In this epic drama real men and women are shaped by the carnage and their individual acts in turn shape history Drawing on the gritty personal reality of war and on a cast of unforgettable characters Harry Turtledove has written an alternate history that intrigues fascinates and astounds Praise for Last Orders From our perspective seventy years later we re accustomed to thinking of WWII s outcome as being inevitable Not so says Harry Turtledove Disdaining broad brush strokes Turtledove s focus on the characters serves to fill out the big picture with patient nitty gritty detail It s all quite plausible Armchair warriors will have much to ponder Kirkus Reviews Praise for Harry Turtledove If you like alternate histories you re going to like this series a lot The San Diego Union Tribune Turtledove is the standard bearer for alternate history USA Today Coup d Etat This is what alternative history is all about Historical Novel Society The Big Switch The Hugo Award winner continues to delight in exploring the world of what if Library Journal West and East There s plenty to satisfy fans of military strategy tactics and armaments Publishers Weekly Hitler s War Turtledove is always good but this return to World War II is genuinely brilliant The characterizations in particular bring the book to extraordinary life Booklist

Armistice Harry Turtledove, 2017-07-18 In the final book of the blistering trilogy The Hot War old hatreds and new chances for revenge are unleashed on an already devastated world as the Cold War becomes a roaring inferno In 1952 American cities lie in ruins President Harry Truman in office since 1945 presides over a makeshift government in Philadelphia suffering his own personal loss and fearing for the future of democracy In the wake of Hitler s reign Germany and America have become allies and Stalin s vise hold on power in the USSR persists Unwilling to trust the Soviet tyrant Truman launches a long planned nuclear strike on the city of Omsk killing Stalin and plunging the Red Army into leaderless destructive anarchy Meanwhile the Baltic states careen toward rebellion and Poland is seized by rebels bred on war In a world awash with victims turned victors refugees and killers has Truman struck a blow for peace or fueled more chaos As these staggering events unfold the lives of men and women across battle lines ethnicities and religions play out around the globe In Los Angeles an extended Jewish family builds a future while the foul smell of a refugee camp in Santa Monica blows in on the ocean breeze In Korea a U S fighter struggles to bring his Korean interpreter stateside as a full American In Siberia two German women fight for their survival in a gulag and begin a strange harrowing journey home From the terrifying global chess match between superpowers to the strength of individual human conscience Armistice captures a world that s been

split to its core by the violence only mankind can create Through the thunder of battle the clashes of armies and the whispers of lovers how humanity will be rebuilt and who will do it are the questions that resound in this marvelous work of imagination and history Praise for Armistice The story s focus remains on ordinary characters and how they cope with their particular circumstances Readers who savor the patient accumulation of detail around each scenario will by now be thoroughly addicted Kirkus Reviews The series is entertaining and explores life on the razor s edge SFRevu **Alpha and Omega** Harry Turtledove,2019-07-02 New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days and a discovery in the Middle East that turns the world upside down What would happen if the ancient prophecy of the End of Days came true It is certainly the last thing Eric Katz a secular archaeologist from Los Angeles expects during what should be a routine dig in Jerusalem But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America a dirty bomb is detonated in downtown Tel Aviv and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount There Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny But as to what that force desires well that is the question The History of Waukesha County, Wisconsin, Containing an Account of Its Settlement, Growth, Development, and Resources ... ,1880 **The History of Columbia County, Wisconsin, Containing an Account of Its Settlement ...
