## Settling In Michigan:

**Company Towns of Michigan's Upper Peninsula** Christian Holmes,2015-06-15 In the company towns of Michigan s Upper Peninsula a worker s boss did extra duty as landlord store owner and constable The on site mill manager in Simmons a town named after the furniture maker even ran a successful baseball team Built around iron mines and lumber concerns and directed by prominent entrepreneurs like Henry Ford these industrial hamlets once lined the shores of Lakes Michigan and Superior Author Christian Holmes uncovers rich stories of struggle and celebration as he explores the vestiges of these vanished communities and their lasting legacy in the identity of the Upper Peninsula Our Hidden Settlement Mona Ballge Miron,2023-08-07 My journey goes back in time to Burton Michigan s history when it was still the Atherton Settlement 1835 1855 Genesee County was formed in 1836 Michigan wasn t even a state until 1837 This was an exciting time for new families to settle here finding land of their own for the first time freedom of religion and new adventures I ll be going through the yearly traditions behind the holidays and inventions along the way I hope you enjoy my historical journey Learning about the settlers on Thread River was a lot of fun how they made the Atherton Trail the four Atherton families working together to survive the cold winters They built strong shelters saved food and wood for the winter with the help of the natives In 1835 the Atherton Settlement was established the Atherton families built a strong community over the next twelve months with thirty families They built their homes barns wagons three churches a mill and a trading post The first school in the settlement was founded in 1836 the Atherton School was a one room schoolhouse built on the corner of Atherton Trail and Center Road where the Burton Memorial Library sits now Betsey Atherton was the first teacher Throughout my research we have a lot to be thankful for especially the four Atherton men that were brave enough to stay and never give up on the settlement As more people joined the settlement for the next 20 years some had military backgrounds and mostly coming from New York With all manner of trades to prosper as the community when more schools were needed the farmers would build one in each area for the children 1855 Atherton Settlement combined with other farms to become Burton Township the second largest township but without a post office so HIDDEN Michigan as a province, from its discovery and settlement by the French to its final surrender to the United States, by H. boom town in northern Michigan at the turn of the twentieth century Settled as a lumbering community Cheboygan quickly grew to become one of the most important lumber manufacturing cities in the state By looking at how it was settled and by whom the book explains just how a lumber town is not only settled but also how that settlement gradually becomes more permanent From boom town to stable city Among the Sturdy Pioneers illustrates how just a few entrepreneurial lumber barons helped build a town The book also goes into considerable detail looking at the lives of these lumber kings how they made their fortunes and why they chose to come up north More than just a story about lumber though there are plenty of additional facets of Cheboygan s early life that are covered From other industries in town to strange stories and bizarre incidents the book is not an industrial history per se but a general history of the community as well Shipping auto manufacturing railroads crime and punishment and even a brush with a rare disease add to the breadth of the work Cheboygan began to change dramatically as the lumber industry waned and these events and how the community reacted are also thoroughly covered As the town struggled to find itself after the decline of the industry the boom town was in danger of a real bust However through its fortunate geographical location and aesthetic beauty it became a remarkable year round destination for travelers the world over *History of St. Clair County, Michigan* ,1883 Michigan Botanist ,2002
