Thomas, 1999 This is a book about the relationship between the development of forensic science in the nineteenth century and the invention of the new literary genre of detective fiction in Britain and America Ronald R Thomas examines the criminal body as a site of interpretation and enforcement in a wide range of fictional examples from Poe Dickens and Hawthorne through Twain and Conan Doyle to Hammett Chandler and Christie He is especially concerned with the authority the literary detective manages to secure through the devices fingerprinting photography lie detectors with which he discovers the truth and establishes his expertise and the way in which those devices relate to broader questions of cultural

authority at decisive moments in the history of the genre This is an interdisciplinary project framing readings of literary texts with an analysis of contemporaneous developments in criminology the rules of evidence and modern scientific accounts of identity

**The World's Finest Mystery and Crime Stories** Ed Gorman, Martin H. The Annotated Innocence of Father Brown G. K. Chesterton, 2012-04-26 Father Brown an ordinary priest whose unremarkable exterior conceals extraordinary crime solving ability is celebrated for his solutions to metaphysical mysteries a genre perfected by his creator G K Chesterton More than lighthearted comedies built around puzzling crimes these superbly written tales contain deeply perceptive philosophical reflections The Innocence of Father Brown 1911 was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best In this annotated edition of the collection the Chesterton scholar Martin Gardner provides detailed notes and background information on various aspects of such stories as The Blue Cross The Secret Garden The Invisible Man The Hammer of God The Eye of Apollo and seven more as well as an informative introduction and an extensive bibliography Included also are eight illustrations reproduced from the first edition The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown

*The Supernatural and Fantastic in Short Detective Fiction* Laird R. Blackwell, 2020-11-23 Although fantasy and supernatural literature have long and celebrated histories many critics contend that the fantastic and the supernatural have no place in the logical rational world of the detective story This book is the first extensive study of the fantastic in detective fiction and it explores the highly debated question of whether detective fiction and the fantastic can comfortably coexist The locked room mystery which often uses the fantastic as a red herring to eventually be debunked by reason and logic has long been among the most popular subgenres of detective fiction This book also explores stories featuring almost supernaturally gifted detectives stories where the supernatural is truly encountered and stories with ambiguous endings Close to 500 detective stories from 1841 to 2000 in which the fantastic or supernatural plays a central role are discussed and analyzed Although not all the stories are judged to be successful as detective tales in the great majority the fantastic enlivens

the tale and deepens the mystery without weakening the detective elements      *The Annual American Catalogue 1886-1900*
