Seven Days with the Gospel of Mark Joseph Donders, 2004 Mark's gospel reads like a mystery Who is this Jesus and what are his intentions Why doesn't anyone seem to understand him How should we relate to him Why does Mark's gospel start with the words The beginning of the good news of Jesus Christ the Son of God What is that good news During this retreat Fr Donders helps readers uncover the mystery Here we come to know Jesus in his moments of teaching healing suffering and glory and we learn not only what his life is about but also what our own lives are about in relation to his Fr Donders offers meditations for both morning and evening as well as points for prayer and action Seven Days with the Gospel of Mark provides an excellent prayer experience for individuals or groups and serves as a study guide for those who wish to delve more deeply into the gospel of Mark **The United Service**, 1883 *Notes and Suggestions for Bible Readings* S. Revelation Allen Daves, 2013-12-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch The Zohar ,1958
