Seven Continents And Forty Years A Concentration Of Memoirs:

Seven Continents and Forty Years Cyrus Leo Sulzberger, 1977 **George F. Kennan and the Making of American Foreign Policy, 1947-1950** Wilson D. Miscamble, C.S.C., 2021-04-13 When George C Marshall became Secretary of State in January of 1947 he faced not only a staggering array of serious foreign policy questions but also a State Department rendered ineffective by neglect maladministration and low morale Soon after his arrival Marshall asked George F Kennan to head a new component in the department s structure the Policy Planning Staff Here Wilson Miscamble scrutinizes Kennan s subsequent influence over foreign policymaking during the crucial years from 1947 to 1950 **From Roosevelt to Truman** Wilson D. Miscamble, 2007 On April 12 1945 Franklin Roosevelt died and Harry Truman took his place in the White House Historians have been arguing ever since about the implications of this transition for American foreign policy in general and relations with the Soviet Union in particular Was there essential continuity in policy or did Truman s arrival in the Oval Office prompt a sharp reversal away from the approach of his illustrious predecessor This study explores this controversial issue and in the process casts important light on the outbreak of the Cold War From Roosevelt to Truman investigates Truman s foreign policy background and examines the legacy that FDR bequeathed to him After Potsdam and the American use of the atomic bomb both of which occurred under Truman s presidency the US floundered between collaboration and confrontation with the Soviets which represents a turning point in the transformation of American foreign policy This work reveals that the real departure in American policy came only after the Truman administration had exhausted the legitimate possibilities of the Rooseveltian approach of collaboration with the Soviet Union **Bibliographie zur Zeitgeschichte, 1953-1980:**

Neuerwerbungen und Bücherschau Bibliothek für Zeitgeschichte (Germany),1978 **Truman and MacArthur** Michael D. Pearlman,2008-03-12 Truman and MacArthur offers an objective and comprehensive account of the very public confrontation between a sitting president and a well known general over the military s role in the conduct of foreign policy In November 1950 with the army of the Democratic Peoples Republic of Korea mostly destroyed Chinese military forces crossed the Yalu River They routed the combined United Nations forces and pushed them on a long retreat down the Korean peninsula Hoping to strike a decisive blow that would collapse the Chinese communist regime in Beijing General Douglas MacArthur the commander of the Far East Theater pressed the administration of President Harry S Truman for authorization to launch an invasion of China across the Taiwan straits Truman refused MacArthur began to argue his case in the press a

challenge to the tradition of civilian control of the military He moved his protest into the partisan political arena by supporting the Republican opposition to Truman in Congress This violated the President's fundamental tenet that war and warriors should be kept separate from politicians and electioneering On April 11 1951 he finally removed MacArthur from command Viewing these events through the eyes of the participants this book explores partisan politics in Washington and addresses the issues of the political power of military officers in an administration too weak to carry national policy on its own accord It also discusses America's relations with European allies and its position toward Formosa Taiwan the long standing root of the dispute between Truman and MacArthur

History and Progress Margarita Mathiopoulos, 1989-09-20 Concisely written and compelling this book offers a provocative look at European American relations It focuses on the tradition of common political ideas the original roots of common European and American thought the decision by the two continents not to develop in isolation from one another and the traditional ambivalence of the European caught indecisively between reliance upon and distance from the United States From classical antiquity to contemporary society Mathiopoulos unfolds the paradoxical relationship between the U S and Europe the simultaneous occurrence of reciprocal attraction and mutual misunderstanding She describes how America was born of European intellectual stock enlightenment reason religious freedom equality democracy the rights of man and the desire to achieve these things in the New World She also tells us that the idealism of progress of the European enlightenment gave rise to the American Dream which constitutes the consciousness of the American people and is woven into their domestic and foreign policy to this day This stimulating book will interest anyone involved in the field of comparative political thought as well as those interested in the evolutionary and revolutionary process of the idea of progress in Europe and the United States The idea of progress forms the core History and Progress Mathiopoulos shows that faith in progress and the desire for a better world have been the major stimuli for historical change in the modern world She describes how Europe gave birth to this idea and throughout history became largely disenchanted

with it In contrast the United States inherited this concept and has utilized it for over 200 years to maintain its sense of identity and self awareness History and Progress explains not only how the idea of progress inspired the founding of America but how the concept provides momentum for the historical development of the nation to the present In short the American Dream preserved the progressive optimism projected by the Enlightenment in the United States even when it had since disappeared from European historical thought *The Publishers' Trade List Annual* ,1978 **The American Oxonian** ,1977 Vol for 1934 include Addresses and occupations of Rhodes scholars and other Oxonians called 1934 36 Addresses and occupations of Rhodes scholars *Books in Print* ,1982 *Judaica Americana* Nathan M.
