Seven Icelandic Short Stories:

SEVEN ICELANDIC SHORT STORIES Authors Various, 2010-04 Of the seven Icelandic short stories which appear here the first was probably written early in the thirteenth century while the rest all date from the early twentieth century Since the 12th C the Icelandic people have continued to tell stories and to compose poems with the greyness of commonplace existence made more bearable when listening to tales of the heroic deeds and sagas of the past In those past evenings the living room baostofa built of turf and stone became a little more cheerful and hunger was forgotten while a member of the household read or sang about far away knights and heroes and the banquets they gave in splendid halls In their imagination people thus tended to make their environment seem larger and better than life as did Hrolfur with his fishing boat in the story When I was on the Frigate So take some time out and travel back to a period before television and radio a time when tales were passed on orally when families would gather around a crackling and spitting hearth and a family member would delight and captivate the gathering with stories passed on to them from their parents and grandparents and from time immemorial The Norsemen who colonized Iceland in the last quarter of the ninth century brought with them the language then spoken throughout all of Scandinavia This ancestor of the modern Scandinavian tongues has been preserved in Iceland with the oldest preserved Icelandic prose written almost 1000 years ago Limited communications between Iceland and other countries frequent migrations inside the island and not least important a long and uninterrupted literary tradition has meant the Icelandic language has not developed any dialects in the ordinary sense 33% of the net profit from the sale of this book will be donated to charities schools and special causes **Seven Icelandic Short Stories** çsgeir Pétursson, Steingrímur J.
