Seventh Guilty Man:

Seven Dispensations of God Benny Tucker, 2019-06-04 A very important point to bring out now is a very simple one without this literal interpretation of the bible one will never understand the end of the age as brought forth in the book of Revelation Dispensational theology teaches that there are two distinct peoples of God Israel and the church Dispensationalists believe that salvation has always been by faith in God in the Old Testament *The Seven Days Of Peter Crumb* Jonny Glynn, 2013-09-12 I am not a good man I am not a bad man In seven days I will be dead My name is Peter Crumb This is what remains Peter Crumb is a man whose life has been derailed by a single devastating act of violence in his past Now in what he intends to be his last week on Earth he is determined to leave his mark upon humanity randomly unjustly with infinite attention to detail And Monday means murder Shatteringly well written this is a car crash compelling description of a week in the hell inhabited by one splintered and savage soul an unrehearsed and unputdownable Dr Jekyll and Mr Hyde for our times **The Voice of the Seven Thunders** George Kevyn Weber, 2014-07-18 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of men s lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of men s souls lost all for the sake of man s vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writer s Literary Publishing Services Critique Division **Literary Afterlife** Bernard A.
