Coverage includes new religious groups that emerged in America such as the Seventh-day Adventists, the Latter-day Saints, and the Jehovah's Witnesses; alternative communities around the globe that emerged from the major Western and Eastern traditions such as Aum Shinrikyo and Al Qaeda; and marginalized groups that came to a sudden end such as the Peoples Temple, Heaven's Gate, and the Branch Davidians. The entries highlight thematic and broader issues that run across the individual religious traditions and will also help students analyze and assess the common difficulties faced by emergent religious communities.
