Castagno, 2013-12-19 New Playwriting Strategies offers a fresh and dynamic approach to playwriting that will be welcomed by teachers and aspiring playwrights alike **Theatre of Wonders** Len Jenkin, 1985 Gogol is the name of a mysterious gentleman who is throwing the party in which the hunted Mesmer a healer and charlatan wanted by the police takes refuge Once there Mesmer is forced to confront his own state of being and place in the universe **Theatre Record**, 1997 *Burns Mantle Best Plays and the Year Book of the Drama in America*, 1988 Making and Remaking Horror in the 1970s and 2000s David Roche, 2014-02-06 Containing seventy eight black and white illustrations the book is grounded in a close comparative analysis of the politics and aesthetics of four of the most significant independent American horror movies of the 1970s *The Texas Chain Saw Massacre* *The Hills Have Eyes* *Dawn of the Dead* and *Halloween* and their twenty first century remakes To what extent can the politics of these films be described as disturbing inasmuch as they promote subversive subtexts that undermine essentialist perspectives Do the politics of the film lie on the surface or are they wedded to the film's aesthetics Early in the book Roche explores historical contexts aspects of identity race ethnicity and class and the structuring role played by the motif of the American nuclear family **Barefoot Boy with Shoes on** Edwin Sánchez, 2000 Trapped in horrendous and cramped living conditions with his father and grandfather Rosario Cortez battles to break his family's cycle of poverty and remove his son from the violence and squalor of the urban ghetto Few playwrights are persuasive enough to make an audience root for a young man who batters his girlfriend and considers kidnapping and murder to get what he wants But from the moment we meet Rosario Cortez singing to his infant son and promising him a better future with a passion that burns white hot we like him After we see his living conditions sharing a cramped room with his father and grandfather who spend their days watching porno films

we know that extreme measures are necessary That doesn't mean that we approve of Rosario's means or the ways in which he expresses his anger But we understand his motives share his dreams and admire his tenacity It is not surprising that the writer who's created Rosario and his world of longings is Edwin Sanchez who also wrote *TRAFFICKING IN BROKEN HEARTS* That haunting play centered on a love triangle involving a street hustler an abused teenager and a yuppie lawyer all yearning for something more in their lives Sanchez knows how to capture the world of dreamers play moves gracefully carried along by beautiful writing Aileen Jacobson *Newsday* a touching drama that's worthy of attention David Kaufman *Daily News* Edwin Sanchez's tough twisty surprising new plays shows his usual flair for dealing with predictable subjects unpredictably and with sparky verbal flights Michael Feingold *Village Voice* Roster of Artists, 1985-87 Minnesota State Arts Board. Artists in Education Program, 1985 The Dramatists Guild Quarterly ,1987 **Awards in the Visual Arts** ,1989 Theatre Profiles 11 Steven Samuels, 1994-03 **American Theatre** ,1992 Enter the Playmakers Thomas S. Hischak, 2006-06-22 This companion volume to *Enter the Players* New York Stage Actors in the 20th Century explores the careers of over three hundred directors and choreographers who have worked in New York City giving biographical sketches and listing directing and choreography credits through the year 2005 Theater Week ,1992 **70 Scenes of Halloween (Performance)** , Secondary Stages Jeff Bennett, 2001 *Secondary Stages* combines in one volume everything a high school teacher needs to organize and implement a successful dynamic theatre program Bennett's approach is based on a simple premise that exposure to theatre can be an utterly transforming experience for students one that enables them to reach unimagined levels of personal emotional and intellectual growth His book delivers hands on techniques to make it all happen illustrating how to draw interested students into the program inspire students to act with truth and conviction establish the connection between good improvisation and good scene work carry passion for theatre outside the classroom and into the mainstream of school life choose material that's stimulating enough to attract a sizable student audience without creating unwanted controversy structure activities and lessons so that they encourage maximum sensitivity and awareness lay the basis for mounting memorable productions With these goals in mind and with more than three decades of experience Bennett presents strategies that have consistently proven effective for the broadest possible range of students *XXX Love Act* Cintra Wilson, 1992 Wisconsin West Magazine ,1989 Theatre Index ,1997
