Sex And Conquest Gendered Violence Political Order And The European Conquest Of The Americas:

Sex and Conquest Richard C. Trexler, 1995 A historical account of the berdache biological men who performed the offices and work of women including sexual service in Europe and America at the time of the Conquest Trexler examines the sexual culture of both early modern Iberia and the native American world of that era Annotation copyright by Book News Inc Portland OR *Gender, Sex and the Shaping of Modern Europe* Annette F. Timm, Joshua A. Sanborn, 2022-01-13 At a time when issues of gender and sexuality are as prominent as they have ever been *Gender Sex and the Shaping of Modern Europe* provides an authoritative exploration of the history of these deeply connected subjects over the last 250 years Incorporating a blend of history and historiography Annette F Timm and Joshua A Sanborn write engagingly on gender and sexuality in a way that illuminates our understanding of historical change and individual experience throughout Europe The new and improved 3rd edition of this textbook now includes Personal vignette textboxes which shed light on key themes through individual life stories Added material on Russia Eastern Europe the Holocaust and the 21st century Historiographical updates throughout that bring the text up to date with new scholarship 30 new images and maps Through 6 thematic chapters that cover democracy capitalism imperialism and war Timm and Sanborn trace the social construction of gender roles consider gender s influence on political and economic developments during the period and reflect on where European society s relationship with gender will go both now and in the future **Mapping Gendered Routes and Spaces in the Early Modern World** Merry E. Wiesner-Hanks, 2016-03-03 How did gender figure in understandings of spatial realms from the inner spaces of the body to the furthest reaches of the globe How did women situate themselves in the early modern world and how did they move through it in both real and imaginary locations How do new disciplinary and geographic connections shape the ways we think about the early modern world and the role of women and men in it These are the questions that guide this volume which includes articles by a select group of scholars from many disciplines Art History Comparative Literature English German History Landscape Architecture Music and Women s Studies Each essay reaches across fields and several are written by interdisciplinary groups of authors The essays also focus on many different places including Rome Amsterdam London and Paris and on texts and images that crossed the Atlantic and the Mediterranean or that portrayed real and imagined people who did Many essays investigate topics key to the spatial turn in various disciplines such as borders and their permeability actual and metaphorical spatial crossings travel and displacement and the built environment
