Routledge Handbook of Sexuality, Gender, Health and Rights Peter Aggleton, Rob Cover, Carmen H. Logie, Christy E. Newman, Richard Parker, 2023-12-22 Thoroughly updated with over 30 newly written chapters this edition of the Routledge Handbook of Sexuality Gender Health and Rights brings together academics and practitioners from around the world to provide an authoritative and up to date account of the field Social researchers and their allies have worked hard in past decades to find new ways of understanding sexuality in a rapidly changing world Growing attention is now given to the way sexuality intersects with other structures such as gender age ethnicity race and disability and increasing value is seen in a positive approach focused on ethics pleasure mutuality and reciprocity This Handbook explores theory politics and early development of sexuality studies ways in which language discourse and identification have become central to research on sex sexuality and gender key issues across the broad media and digital ecology demonstrating the centrality of representation communication and digital technologies to sexual and gender practices research focusing on the body and its sexual pleasures work on forms of inequality violence and abuse that are linked to sex gender and sexuality The Handbook is an essential reference for researchers and educators working in the fields of sexuality studies gender studies sexual health and human rights and offers key reading for mid level and advanced students

Sex and Gender in the Legal Process Susan S. M. Edwards, 1996 This work examines the evolution of law and legal method and challenges the law's claim to neutrality by examining its role in creating and reproducing inequality between the sexes It considers many of the current debates and in each the law is stated with reference to recent developments in statute and judicial decisions in the UK and other jurisdictions The author illustrates how each issue is shaped by the current political climate and where relevant by the European Court Reference is also made to US and Australian case law The book should be of interest to students studying women and the law family law criminal law and jurisprudence as well as those on criminology and sociology courses It should also be useful to family and criminal practitioners

Directions in Sexual Harassment Law Catharine A. MacKinnon, Reva B. Siegel, 2008-10-01 div When it was published twenty five years ago Catharine MacKinnon's pathbreaking work *Sexual Harassment of Working Women* had a major impact on the development of sexual harassment law The US Supreme Court accepted her theory of sexual harassment in 1986 Here MacKinnon collaborates with eminent authorities to appraise what has been accomplished in the field and what still needs to be done An introductory essay by Reva Siegel considers how sexual harassment came to be regulated as sex discrimination Contributors discuss how law can best address sexual harassment the importance and definition of consent and unwelcomeness issues of same sex harassment questions of institutional responsibility for sexual harassment in both employment and education settings considerations of freedom of speech effects of sexual harassment doctrine on gender and racial justice and transnational approaches to the problem An afterword by MacKinnon assesses the changes wrought by sexual harassment law in the past quarter century DIV The

Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

The Edinburgh law review, 2007 *Sourcebook on Feminist Jurisprudence* Hilaire Barnett, 1996-03-26 Analyzing the relationship between feminist theories and the law this work takes as its starting point a study of women and culture on an international level which demonstrates how religious and cultural influences have been fundamental in establishing contemporary legal and social mores

Harvard Journal of Law & Gender, 2006

On Transits and Transitions Tristan Josephson, 2022-10-14 Celebrations of the transgender tipping point in the second decade of the twenty first century occurred at the same time of heightened debates and anxieties about immigration in the United States On Transits and Transitions explores what the increased visibility of trans people in the public sphere means for trans migrants and provides a counter narrative to the dominant discourse that the inclusion of transgender issues in law and policy represents the progression of legal equality for trans communities Focusing on the intersection of immigration and trans rights Josephson presents a careful and innovative examination of the processes by which the category of transgender is produced through and incorporated into the key areas of asylum law marriage and immigration law and immigration detention policies Using mobility as a critical lens On Transits and Transitions captures the insecurity and precarity created by U S immigration control and related processes of racialization to show how im mobility conditions citizenship and national belonging for trans migrants in the United States

Second International Handbook on the Demography of Sexuality Amanda K. Baumle, Zelma Oyarvide Tuthill, 2025-06-18 A decade after the publication of the first International Handbook on the Demography of Sexuality there have been fundamental shifts in how we measure sexual and gender identities and the breadth of available population level sexuality data The chapters in this second edition of this handbook provide guidance on methodological approaches involved in studying population sexuality as well as insight into the ways that sexuality shapes key demographic outcomes Chapters examine how we measure sexual identities and behaviors on surveys sexuality changes across the life course international perspectives on sexual behaviors and identities

and the ways that sexual identities shape families labor market experiences and health outcomes Despite these developments we still know relatively little about key demographic questions related to fertility and migration for sexual minorities as well as about understudied topics of sexuality that fall outside of risk focused analyses In particular much of our understanding of sexuality has been motivated by controlling the spread of sexually transmitted infections or adolescent pregnancies rather than understanding motivations for sexual interactions such as pleasure Accordingly although the research set forth in this book provides insight into existing knowledge of sexual behavior and of sexual minority populations the chapters also point researchers and policymakers toward needed areas of research and data collection

Violent Intimacies Asli Zengin,2024-01-02 In *Violent Intimacies* Asl Zengin traces how trans people in Turkey creatively negotiate and resist everyday cisheteronormative violence Drawing on the history and ethnography of the trans communal life in Istanbul Zengin develops an understanding of cisheteronormative violence that expands beyond sex gender and sexuality She shows how cisheteronormativity forms a connective tissue among neoliberal governmentality biopolitical and necropolitical regimes nationalist religiosity and authoritarian management of social difference As much as trans people are shaped by these processes they also transform them in intimate ways Transness in Turkey provides an insightful site for developing new perspectives on statecraft securitization and surveillance family and kin making urban geography and political life Zengin offers the concept of violent intimacies to theorize this entangled world of the trans everyday where violence and intimacy are co constitutive Violent intimacies emerge from trans people s everyday interactions with the police religious and medical institutions street life family and kinship and trans femicides and funerals The dynamic of violent intimacies prompts new understandings of violence and intimacy and the world making struggles of trans people in a Middle Eastern context

Family Law Nigel V. Lowe,Peter Mann Bromley,Gillian Douglas,1998 This latest edition reflects the general trends in the development of family law in particular the increasing emphasis upon the parent child relationship and the diminishing significance of marriage Therefore substantial changes have been made both to the overall structure and to the content For example the chapters on Divorce and Family Protection have been entirely re written in the light of the Family Law Act 1996

Sexual Harassment and the Law Augustus B. Cochran,2004 This is much more than a story of a single case It provides a panoramic overview of the role of work in women s lives a succinct history of employment discrimination law and a penetrating analysis of the evolution of our views of sexual harassment in the workplace Karen O Connor author of *Women Politics and American Society*After Vinson nothing was the same Cochran does a masterful job of setting the case in its historical context and exploring its legal impact Judith A Baer author of *Our Lives before the Law Constructing a Feminist Jurisprudence* Cochran is an exceptional raconteur and his book is comprehensive thorough and wonderfully forward looking Nancy Levit author of *The Gender Line Men Women and the Law* *Indian Criminal Law and Procedure* India,1877 *Irish Law Times* ,1996 **Michigan Journal of Gender & Law** ,2003 **The Social Construction of Sexual Harassment**

Law Mia L. Cahill,1999 **Kobe University Law Review** ,1998 Legal Action ,2002 *The Kingston Law Review* ,1985
 Gaylaw William N. Eskridge Jr.,1999-10-22 In a comprehensive analysis of legal issues concerning gender and sexual nonconformity in the United States William Eskridge presents a rigorously argued case for the sexualization of the First Amendment showing why for example same sex ceremonies and intimacy should be considered expressive conduct deserving the protection of the court
