Adolescent Sexual Socialization and Teen Magazines Suchi P. Joshi,2012 The majority of scientific research on teen magazines has been conducted from a single country perspective even though the experience of sex and sexuality is known to vary by country Moreover no research to date has analyzed the sexual content of teen magazines and directly linked it to how young people think or feel about sex In response to these shortcomings this book analyzes the topics of sexual desire sexual

danger virginity loss pregnancy and the hook up culture in the most popular teen magazines of the United States and the Netherlands Results are then linked to US and Dutch young people s magazine reading and fear of sex and further investigated by religiosity While this book primarily addresses researchers of adolescent sexual socialization it also offers practical insights to parents health educators government officials and magazine editors ultimately revealing that adolescent sex as a forbidden fruit is a relative term contingent upon culture

Sex and the American Teenager Robert Murray Thomas,2009 Sex and the American Teenager provides an expert s assessment on the controversies over teenagers sexual development beliefs and problems and schools methods of coping with such matters Thomas s book is not only replete with facts about sexual issues in school it provides case studies that illustrate the specific ways that sex issues arise

BOOK PUBLISHER WEBSITE **Teenagers, Sexual Health Information and the Digital Age** Kerry Mckellar,Elizabeth Sillence,2020-01-06 Teenagers Sexual Health Information and the Digital Age examines the online resources available on teenagers including games and digital interventions In addition it highlights current issues such as sexting and pornography Information needs and provisions are examined and existing sexual health interventions and digital interventions are discussed gathering both teenagers and sexual health professionals views on these services In addition to a review of the current literature on sexual health and teenagers the book examines groups of teenagers particularly those vulnerable to risky sex and asks what are the predictors of these behaviors and what can be done to address the behaviors Finally the book will also provide reflections and practical advice on the ethical issues associated with research in this context Provides guidance on the ethical issues with research associated with this topic Covers both teenagers information needs as well as their existing levels of knowledge Assesses how teenagers engage with and evaluate sexual health information Addresses the challenges inherent in the online environment such as unreliable and misleading information
