Sex Outside the Lines Chris Donaghue,2015-07-14 It s socially acceptable to spend a day watching sports or sitcoms but it s shameful and embarrassing to admit to the same about erotic media Why is it that sex is so often deemed inappropriate and considered something we must keep private or even ignore Our culture is afraid of sex We feel the need to label what is normal and what isn t and as a result we live in a relational and sexually unhealthy culture In reality far more harm is caused by labeling sexual expression as obscene than by celebrating it In Sex Outside the Lines Authentic Sexuality in a Sexually Dysfunctional Culture Chris Donaghue PhD explores and challenges the negative ideals that have warped society s view of sex Sex Outside the Lines is not a dogmatic rule book but a valuable guide to help you on your journey to sexual self discovery and most important self acceptance Donaghue encourages you to not only explore your capacity for pleasure but to be proud of it and to take a look at how you could be living In his years of training in sex and couples therapy Donaghue has developed highly successful methods for freeing clients from sexual hang ups enabling them to let go of shame and embarrassment The goal isn t to be normal there is no such thing Donaghue pulls apart cultural phobias with a sex positive therapy practice as well as a kind of sexual deprogramming that helps people see and accept that the desires they have even if they don t align with society s expectations are actually natural healthy and part of having a great sex life Sex Outside the Lines addresses our diversity challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders and disregards conventional advice from leading experts It isn t advocating a liberal approach to modern concepts it is seeking to redefine them altogether Nature ,1884 Rural New Yorker ,1896
