Sex Education and Counseling of Special Groups Warren Russell Johnson, 1974 **Sex Education and Counseling of Special Groups** Warren Russell Johnson, 1974 Sex Education in the Eighties Lorna Brown, 2012-12-06 The odd reader here in England odd means occasional may be interested in how a book comes about Members of the SIECUS Board of Directors were planning a Festschrift and dinner for Mary Calderone on the occasion of her 75th birthday One planning idea was to have a booklet filled with brief essays from prominent sex educators distributed between the roast beef and the ice cream My reaction was that such souvenirs find their burial place in the same dusty drawer as the program from the high school prom and ticket stubs from South Pacific I suggested a more lasting noticeable monument a proper as the English say book which would draw contributions from both SIECUS and non SIECUS scholars 1 was too clever to be trapped as editor in a 1974 preface I had written I swore I wouldn't edit another book And so I seduced Lorna Brown into being editor I contacted a few potential contributors suggested a few others convinced Leonard Pace at Plenum Press that this was a worthwhile venture and left the country To my amazement six months after settling in Cambridge England the rough draft of the book arrived along with a reminder from Lorna that during the seduction I had promised to write an Introduction
