that were investigated include the Allied liberated capital of France Paris the Allied landing point in France Normandy and the main Allied headquarters and capital London United Kingdom The main site for investigating Soviet liberation of Nazi occupied territories was Prague in the Czech Republic This investigation also incorporated surveys and interviews from natives of these locations about their beliefs and the beliefs of the older generation on the subject of liberation By looking back at the liberation of the east and west one could better comprehend the modern political ideologies and socio economic environment of Europe **The Inland Printer** ,1890 Inland Printer, American Lithographer ,1890
