Nba Opening Night Alternatives Us:

Alternative Models of Sports Development in America B. David Ridpath, 2018-01-16 In the United States the entanglement of sports and education has persisted for over a century Multimillion dollar high school football stadiums college coaches whose salaries are many times those of their institutions presidents psychological and educational tolls on student athletes and high profile academic scandals are just symptoms of a system that has come under increasing fire Institutions large and small face persistent quandaries which do they value more academic integrity or athletic success Which takes precedence prioritizing elite teams and athletes or making it possible for all students to participate in sports How do we create opportunities for academic not just athletic development for players In *Alternative Models of Sports Development in America* B David Ridpath a leading sports development researcher who has studied both the US system and the European club model offers clear steps toward creating a new status quo He lays out four possible alternative models that draw various elements from academic athletic and European approaches His proposals will help increase access of all young people to the benefits of sports and exercise allow athletes to also thrive as students and improve competitiveness The result is a book that will resonate with sports development professionals academic administrators and parents

The Digital NBA Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league s global operations and traces the history of the NBA s approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product s appeal to audiences in Brazil China and beyond Secular s analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape *The Digital NBA* shows how the games we love became content first and sport a distant second
