Seven Dials Mystery Abridged:

The Seven Dials Mystery Agatha Christie, 2025 The Seven Dials Mystery is a detective novel by the renowned British author Agatha Christie. It was first published in the UK in January 1929. The book is a sequel to Christie's earlier novel *The Secret of Chimneys* and features some of the same characters including Lady Eileen Bundle, Brent Superintendent Battle, and Lord Caterham. **Plot Summary** The story begins with a group of young people staying at a country house called Chimneys. One of the guests, Gerry Wade, is found dead in bed, apparently from an overdose of a sleeping drug. However, suspicions arise when eight alarm clocks, meant to prank Gerry for his habit of oversleeping, are discovered in his room with one missing. Lady Eileen Bundle, Brent, the spirited daughter of Lord Caterham, becomes involved in the investigation. Her curiosity leads her to uncover a secret society known as The Seven Dials, which seems to be connected to Gerry's death. As the plot unfolds, Bundle and her allies navigate through layers of deception, hidden identities, and mysterious activities, all tied to a larger sinister conspiracy.

Agatha Christie J.C. Bernthal, 2022-08-09 The undisputed Queen of Crime Dame Agatha Christie 1890-1976 is the bestselling novelist of all time. As the creator of immortal detectives Hercule Poirot and Jane Marple, she continues to enthrall readers around the world and is drawing increasing attention from scholars, historians, and critics. But Christie wrote far beyond Poirot and Marple. A varied life including war work, archaeology, and two very different marriages provided the backdrop to a diverse body of work. This encyclopedic companion summarizes and explores Christie's entire literary output, including the detective fiction, plays, radio dramas, adaptations, and her little-studied non-crime writing. It details all published works and key themes and characters, as well as the people and places that inspired them, and identifies a trove of uncollected interviews, articles, and unpublished material, including details that have never appeared in print. For the casual reader looking for background information on their favorite mystery, to the dedicated scholar tracking down elusive new angles, this companion will provide the most comprehensive and up-to-date information.
