Seven Keys To Victory:

Seven Keys to Victory Daniel D. Rodes,1998 A lifestyle of praise and rejoicing can head off a lot of troubles that we otherwise might face because our focus has shifted from our problems to the Lord If we obey the simple commands of the Bible to worship God in the ways He desires victory will be ours Seven Keys to Victorious Living Christopher Roberts,2017-05-17 In this book we will consider seven keys to victorious living The first key to victorious living will consider how to face up to whatever it is that we may have run away from in our walk with the Lord This is so that nothing in our past will stand between us and our future The second key to victorious living will analyse how we can deal with any temptations that come from the world temptations that might distract us from the path God has placed us on particularly as we live in these last days of time and as we head towards the Second Coming of our Lord and Savior Jesus Christ The third key to victorious living will discuss how to surrender our lives to God This is so that we might be able to seek first the Kingdom of God before we seek the things we need for ourselves The forth key to victorious living will evaluate how we might overcome anything that would cause fear to take control of our lives Most fear comes from that which the enemy would place upon us Fear can also come from the devil and through the lives of other people who act as agents of Satan The firth key to victorious living relates to entering into God s rest after we have become Christians Some Christians have not learnt to serve God from a place of rest something which saps the strength of those who have not learnt to rely on God s Holy Spirit for the strength they need to serve him with The penultimate key to victorious living will consider that God is ultimately responsible for looking after our finances Legalists will tell us that we can only reap what we sow Yes we will reap what we sow but not in every situation and not when we don t have any finances to sow with Therefore this chapter will consider the right balance between sowing and reaping and that God will provide for us whatever our circumstances are The final key to victorious living will consider how to walk in humility before the Lord Many people want to be used by God but if we want to do greater things for the Lord then we need to learn how to walk in humility before him every day of our lives It is my prayer that these seven keys to victorious living will help to strengthen our walk with God as we draw closer to the Second Coming of Jesus Christ in these last days of time **Surviving Spiritual Warfare** Dr. Matricia H. The Secrets of Humankind by Divine Design, the Gateway to Mindfulness and Self-awareness (Spiritual warfare series book 2) Eleazar Ben Michael,2022-03-06 Many have been puzzled for centuries at the biological creature that science calls homo sapiens humankind Most people often question what constitutes man's true spiritual nature which is invisible to our sense of sight There is the quest to know what constitutes the mind consciousness the soul and the essence of our spirit soul personality Many still believe that there may be no definitive answers which will provide the necessary satisfaction about this incorporeal essence of the soul and life of humanity But how come God made humans the most advanced biological rational beings on the earth plane Our modern sciences have tried to resolve this great mystery and they have only successfully unveiled the mortal body the outer self but yet to understand the inner spiritual nature The psalmist David wrote many centuries ago asking the same significant question that has plagued humanity throughout time As King David reflected upon this unique being humanity he asked this central question What is man humankind that you are mindful of him and the son of man that you cared for him Yet you have made him a little lower than the heavenly beings and crowned him with glory and honour Psalm 8:4-5 ESV How is he a spiritual being imprisoned in flesh and bones with skin on the outside How does his soul consciousness work in harmony with his body and mind You may be asking if we are a soul as an entity or as a material object that we could carry around How does man's inner spiritual body help him to relate to the material universe This book is the second book in the soul trilogy series and it is a must read resource on the subject of spirituality mindfulness and the nature of the inner human spirit Soul It hopes to guide readers to discover the mystery of the inner self and its relationship to the spirit world
