War Department, 1880      **Guide to the Battle of Shiloh** Jay Luvaas, Stephen Bowman, Leonard Fullenkamp, 1996 One of the bloodiest and most bitterly fought battles of the Civil War took place at Shiloh Church and Pittsburg Landing on April 6 7 1862 The Union led by Ulysses S Grant and William Tecumseh Sherman held off a massive Confederate offensive led by Albert Sidney Johnston and P G T Beauregard paving the way for Union control of the Western Theater When the fighting ended nearly 20 000 soldiers were either dead or wounded and the South had lost one of its ablest commanders in Johnston Guide to the Battle of Shiloh combines eyewitness accounts of this Tennessee battle with explicit details about advances and retreats leadership strategies obstacles achievements and tactical blunders In addition it provides directions to key points on the battlefield as well as maps depicting the action and details of troop positions roads rivers elevations and tree lines as they were 130 years ago      **Confederate Military History** Clement Anselm Evans, 1899  
*Confederate Military History, Vol. 8: Mississippi* Charles E. Hooker, 2022-10-13 This work spanning twelve extensive volumes is the result of contributions by many Southern men to the literature of the United States that treats of the eventful years in which occurred the momentous struggle called by Mr A H Stephens the war between the States These contributions were made on a well considered plan to be wrought out by able writers of unquestionable Confederate record who were thoroughly united in general sentiment and whose generous labors upon separate topics would when combined constitute a library of Confederate military history and biography According to the great principle in the government of the United States that one may result from and be composed of many the doctrine of E pluribus unum it was considered that intelligent men

from all parts of the South would so write upon the subjects committed to them as to produce a harmonious work which would truly portray the times and issues of the Confederacy and by illustration in various forms describe the soldiery which fought its battles Upon this plan two volumes the first and the last comprise such subjects as the justification of the Southern States in seceding from the Union and the honorable conduct of the war by the Confederate States government the history of the actions and concessions of the South in the formation of the Union and its policy in securing the existing magnificent territorial dominion of the United States the civil history of the Confederate States supplemented with sketches of the President Vice President cabinet officers and other officials of the government Confederate naval history the morale of the armies the South since the war and a connected outline of events from the beginning of the struggle to its close The two volumes containing these general subjects are sustained by the other volumes of Confederate military history of the States of the South involved in the war Each State being treated in separate history permits of details concerning its peculiar story its own devotion its heroes and its battlefields The authors of the State histories like those of the volumes of general topics are men of unchallenged devotion to the Confederate cause and of recognized fitness to perform the task assigned them It is just to say that this work has been done in hours taken from busy professional life and it should be further commemorated that devotion to the South and its heroic memories has been their chief incentive This is volume eight out of twelve covering the Civil War in Mississippi     Historical Sketch and Roster of the Alabama 17th Infantry Regiment John Rigdon, 2015-06-16 The 17th Alabama Infantry Regiment was organized at Montgomery in August 1861 In November it moved to Pensacola and was present at the bombardment there that month and again in January In March 1862 the regiment was sent to western Tennessee where it was brigaded under J K Jackson of Georgia with the 18th 21st and 24th Alabama regiments The 17th had its full share of the campaigning from Dalton to Jonesboro fighting almost daily especially at Cassville New Hope Kennesaw Lost Mountain and Atlanta In the battle of Peachtree Creek it lost 130 k and w and on the 28th of July 180 k and w The entire loss from Resaca to Lovejoy s Station was 586 but few of whom were captured The regiment moved into Tennessee with General John Bell Hood and lost two thirds of its force at Franklin a number of the remainder were captured at Nashville A remnant moved into North Carolina and a part fought at Bentonville It was then consolidated with the 29th and 33rd Alabama regiments with E P Holcombe of Lowndes as colonel J F Tate of Russell as lieutenant colonel and Willis J Milner of Butler as major The regiment surrendered at Greensboro NC in April 1865 Companies Of The Alabama 17th Infantry Regiment Company A Lowndes County Bartow Rangers Company B Butler County Company C Butler County Company D Coosa County Cochran Rangers Company E Randolph County Dowdell Rangers Company F Montgomery County Company G Russell County Company H Monroe County Company I Pike County Company K Butler County Butler True Blues     **House documents** ,1891     *The Confederate Soldier in the Civil War, 1861-1865* Ben La Bree, 1897     **Guide to the Vicksburg Campaign** Leonard Fullenkamp, Stephen Bowman, Stephen Lee Bowman, Jay Luvaas, 1998 In the same week that Union forces

triumphed at Gettysburg they also captured the river fortress at Vicksburg Mississippi Although much less memorialized than Gettysburg the fall of Vicksburg was every bit as crucial to the Union cause Pitting Ulysses S Grant and William T Sherman against John Pemberton and Joseph Johnston the victorious Vicksburg Campaign helped revive a war weary North gave it absolute control of the Mississippi River severed the western Confederacy from the East and further constricted the South's ability to wage war as the Union drove ever deeper into its heartland It also gave Grant the campaign's chief architect a dramatic venue for demonstrating his maturing skills and intelligence as a strategist and field commander Unlike other volumes in the U S Army War College Guides to Civil War Battles series this one examines an entire campaign looking at many interlinked battles and joint Army Navy operations as they played out over seven months and thousands of square miles of rivers streams swamps lakes forests hills and plains surrounding Vicksburg In addition to detailed coverage of the actual Siege of Vicksburg the book also chronicles the battles at Jackson Port Gibson Raymond Champions Hill and Big Black Ridge Like the other volumes in the series this one combines eyewitness accounts with maps illustrations and tour directions to illuminate the events for both tourists and arm chair travellers For anyone interested in learning more about this relatively neglected but pivotal Civil War campaign the Guide to the Vicksburg Campaign is must reading Annual Report of the Secretary of War United States.
