Sex Differences Social And Biological Perspectives:

Sex Differences Michael S. Teitelbaum, 1976 **Die Fähigkeit zur räumlichen Vorstellung** Claudia Quaiser-Pohl, 1998 **Sexual Harassment of Working Women** Catharine A. MacKinnon, Professor Catharine A MacKinnon, 1979-01-01 A comprehensive legal theory is needed to prevent the persistence of sexual harassment Although requiring sexual favors as a quid pro quo for job retention or advancement clearly is unjust the task of translating that obvious statement into legal theory is difficult To do so one must define sexual harassment and decide what the law's role in addressing harassment claims should be In *Sexual Harassment of Working Women* Catharine MacKinnon attempts all of this and more In making a strong case that sexual harassment is sex discrimination and that a legal remedy should be available for it the book proposes a new standard for evaluating all practices claimed to be discriminatory on the basis of sex Although MacKinnon's inequality theory is flawed and its implications are not considered sufficiently her formulation of it makes the book a significant contribution to the literature of sex discrimination MacKinnon calls upon the law to eliminate not only sex discrimination but also most instances of sexism from society She uses traditional theories in an admittedly strident manner and relies upon both traditional and radical feminist sources The results of her effort are mixed The book is at times fresh and challenging at times needlessly provocative <https://www.jstor.org> Sep 30 2016 *Sex Differences* Linda Mealey, 2000-04-13 *Sex Differences* serves as an advanced text for courses in evolutionary and human biology psychology and sexuality and gender studies It also serves as a reference source for academic professionals in these disciplines The book covers the evolution of sex and sex differences and sex differences and sexual strategies in non human and human animals The final chapter addresses issues of sex and gender in interpersonal relationships organizations and politics Diagrams graphs charts and tables illustrate key concepts cartoons and photos provide visual breaks and an element of humor Examines sexual differences from a multi level comparative approach Contains a thorough coverage of literature through 1998 and into 1999 Illustrates pages with a generous use of cartoons photos figures and diagrams Invites bonus learning with special interest boxes interspersed throughout text Presents a critical analysis Includes a combination of feminist and evolutionary thinking *Psychological Perspectives* Paul Avis, 2009-12 *Sex Differences in Cognitive Abilities* Diane F. Halpern, 1992 This is a comprehensive and up to date synthesis of the theories research and research methods designed to explore how why when and to what extent females and males differ in intellectual abilities Halpern's lively and highly accessible writing conveys complex ideas and interrelationships among variables in an engrossing and understandable manner Providing a thought provoking perspective on a controversial and politically explosive topic her treatment bridges the gap between the sensationalized often shoddy pop literature and highly technical scientific publications **Sex-related Cognitive Differences** Julia Ann Sherman, 1978 *The Little Girl Book* David Lakin, Kathleen O'Neill, Kathleen O'Neil, David Lakin, 1996-03-02 MORE THAN SUGAR AND SPICE Raising a daughter today can be more challenging and
